Riding the Bus is Easy!

Here are a few basics to get you started!

Look for your closest bus stop. The numbers on the sign show which bus routes stop there. Key stops have schedules posted on the pole. Arrive at the stop at least 5 minutes early. Wheelchair accessible stops are marked with ♿. Not all bus stops are wheelchair accessible. Call 253.581.8000 to find out if a stop is accessible. If not, a Customer Service Representative will find the nearest one for you.

Find your route number in this book. The map shows the streets your bus travels. The timetable lists major bus stops to help you estimate when the bus will be at your stop (see below).

Have your fare ready before boarding. Use your ORCA card, an All Day Pass, single ride ticket, or exact cash. The farebox does not issue change.

Need more than one bus to get to your destination? Customers must present their fare each time they board. Depending on how often you are going to ride in a day, you may want to purchase a Pierce Transit All Day Pass. PT All Day Passes are available seven days per week and are good for unlimited rides on all local Pierce Transit bus service until the end of the service day (2:59 am). PT All Day Passes may be purchased on board Pierce Transit buses or preloaded on ORCA cards.

If paying in full with E-purse on an ORCA card, you'll pay the first fare when you tap your card on the bus. Your transfer credit will be automatically calculated, valid toward fares on connecting bus or train trips within two hours. If the second fare is higher, your E-purse will be charged the difference. If you're paying with a regional pass on ORCA, and the fare on your connecting bus or train is higher than the value of your pass, the difference will be deducted automatically from your E-purse.

Ask your driver for the stop closest to your destination. When you're a block away, push the yellow push button strip or pull the bell cord. You will hear a message that says "stop requested" and will be let off at the next stop.

Call 253.581.8000 option 1, then option 1 again, if there's a place you don't know how to reach by bus. A Customer Service Representative will be happy to help you. Or check out the Trip Planner on our website: piercetransit.org

Reading a Timetable is Easy: Here are a couple of tips: **Reading left to right** follows the flow of the bus along the route. **Reading down** a column shows all the buses that come to a specific location during the day.

Route number
Day of the week
Direction bus is travelling
Timepoint

Buses stop between timepoints, too. Use the timepoint before your stop to estimate your bus arrival time. When you see a **dash (-----),** the bus doesn't serve that timepoint.

¡Viajando Por Autobús es Facíl!
Aquí hay algunos puntos básicos para comenzar

Busque la parada de el autobus cerca de Ud. Los números indican cuales rutas paran allí. Algunas paradas tienen horarios. Las paradas accesibles para sillas de ruedas están marcadas con éste símbolo ♿. No todas las paradas son accesibles para sillas de ruedas. Llame al 253.581.8000 para saber si su parada es accesible. Un representante encontrará una cerca de usted.

Encuentre el número de la ruta en este libro, "The Bus Stops Here" (Guía de rutas de tránsito). El mapa en la guía de horario indica las calles donde el autobús suyo se para. El horario enlista las paradas de autobuses principales para ayudarle estimar cuando llegará el autobús a su parada (vea el ejemplo abajo de esta página.)

Tenga su tarifa lista antes de subir. Use su tarjeta de ORCA, su All Day Pass (pase de dia entero) o traiga efectivo exacto. La caja de cobro no da cambio.

¿Necesita Ud. tomar más de un autobús para llegar a su destino? Pasajeros deben tener dinero listo al abordar el autobús. Depende con qué frecuencia Usted va a viajar en un día, Usted podria comprar un All Day Pass (pase del día entero). Los pases son disponibles los siete dias de la semana y son válidos para viajes sin límite en cada ruta o autobús de Pierce Transit hasta el fin del día de servicio (2:59 a.m.). Compre un pase del día entero a bordo los autobuses de Pierce Transit o por una tarjeta de ORCA precargada.

Si el pago es completo con la E-purse en una tarjeta de ORCA, usted tendrá que pagar la tarifa primera al tocar su tarjeta en el primer autobús. Su transferencia de crédito será automaticamente calculado y válida hacia las tarifas en la conexión de viajes de autobús o tren dentro de dos horas. Si el precio del segundo viaje es mayor, se le cobrará la diferencia de su E-purse.

Si paga con un pase regional de ORCA y la tarifa en su autobús o tren de conexión es más que el valor de su pase, la diferencia se deducirá automáticamente de su E-purse.

Pídale al conductor la parada más cercana posible a su destino. Cuando se encuentre a una cuadra antes de su parada, jale el cordón de la campanilla y bajese en la próxima parada.

Llame al 253.581.8000, opcion 1, luego opcion 1 otra vez, para saber si algún lugar es accesible por autobús. Un representante de servicio al cliente esta para servirle. O informese sobre el Trip Planner en piercetransit.org.

Leer la tabla del tiempo es muy fácil: Aquí hay varios consejos. Leyendo de izquierda a derecha seguirá el camino del autobús a lo largo de la ruta. Leyendo la columna hacia abajo muestra los autobúses que llegan a esa parada durante el día.

Número de ruta
Día de la semana
Dirección en que viaja el autobús
Puntos de tiempo
Los autobuses hacen paradas entre puntos de tiempo tambíen. Use el punto de tiempo antes de su localidad para estimar cuando el autobús llegará a su parada. La **rayita (----),** significa que no hay servicio a esa hora del dia.

Pierce Transit Fares

Cash Fares (all times of day): Put exact change in the farebox next to the driver. Children 5 and younger ride free with a fare-paying passenger.

BUS FARES	Adult Fare	Youth Fare	*Discounted Fare
Local PT Service (one ride)	$2	$1	$1
Local PT Service – All Day Pass	$5	$2.50	$2.50
Monthly Regional Pass	$72	$36	$36

Monthly Pass: Unlimited rides during calendar month

If you regularly take Pierce Transit (more than 18 round trips a month), consider the convenience and savings of a monthly pass loaded on an ORCA card. A pass can be purchased for an amount that covers the trip you take most often. For example, buy a regional $2.00 pass if you're an adult riding local PT buses. If you take a bus or train with a higher fare, simply pay the cost difference with cash (on a bus) or ORCA E-purse. Passes are valid from the first to the last day of the month. Sorry, there is no "grace" period.

Transfers

ORCA transfers are automatic with either a pass or E-Purse on ORCA. Your transfer credit expires two hours after you first tap your card. It is valid on or between Pierce Transit, Sound Transit, King County Metro, Kitsap Transit, Community Transit and Everett Transit. Pierce Transit All Day Passes loaded on ORCA allow unlimited rides on Pierce Transit local service until the end of the service day (2:59 am). No transfer value to other transit agencies; no value on SHUTTLE.

SHUTTLE Fares

The fare for a single ride on SHUTTLE is $1.75. Pierce Transit's monthly pass for passengers riding SHUTTLE only are paperless, "virtual" passes; the current cost is $63. Once a Virtual SHUTTLE Pass is purchased, Pierce Transit records that purchase for the specified passenger, for the month purchased. No physical pass is issued. It's easy to purchase a Virtual SHUTTLE Pass on piercetransit.org, by phone, or by mail.

SHUTTLE Passengers who also ride Pierce Transit fixed route buses should not purchase a Virtual SHUTTLE Pass; instead, monthly ORCA passes or cash may be used. For details, call 253.581.8000, Option 1, then Option 2.

All Day Pass Pierce Transit All Day Passes may be purchased on board PT buses. Once sufficient cash is inserted in the farebox, it will dispense your All Day Pass. The All Day Pass will have an expiration date and time printed on the back. When boarding your next PT bus that day, slide your pass through the magnetic stripe reader (with the magnetic stripe at the bottom) on the farebox.

All Day Passes may also be preloaded onto ORCA cards. Your PT All Day Pass will remain on your card for up to one year and is activated the first time you tap your card on a Pierce Transit bus. PT All Day Passes are good for unlimited rides on local Pierce Transit bus service until the end of the service day (2:59 am).

Reduced Fares If you are 65 or older, have a qualifying doctor-verified disability, or have a Medicare card, you may ride for a discounted fare. You must show a valid Regional Reduced Fare Permit (RRFP), when paying a discounted fare.

Regional Reduced Fare Permit Applications may be downloaded at piercetransit.org/PT-fares/. Applications and permits are available at the TDS Bus Shop. All permits cost $3. Please bring proof of age, S.S.I. disability award letter and VA paperwork with 40% or more disability or a valid Medicare card. RRFP ORCA cards for individuals with disabilities are only available at the Bus Shop. Seniors may purchase an RRFP ORCA card at the Bus Shop or through the mail with proof of age.

Discounts for Youth Youth 18 and younger are eligible for Pierce Transit's $1.00 Youth Fare. You can pay with cash, or a youth ORCA card loaded with E-purse or a Youth pass. If you're a teenager, please carry an ID card that shows your age. A driver may want to know if you are eligible.

Summer Youth Pass For summertime savings, Pierce Transit offers a Summer Youth Pass. It is valid for unlimited rides on local Pierce Transit service June 1st through August 31st for only $36! The Summer Youth Pass is for youth 6-18, and must be loaded on a youth ORCA card.

Bikes & Buses

Before your stop remind the driver that you will be unloading your bike, and always exit from the front door.

Bicycling is a great way to get to and from your bus stop. If you'd like to park your bike before riding the bus, consider renting a spot in a Bike Secure Parking Area or Bike Locker.

Or you can even bring your bike along on the bus! To secure your bike, Pierce Transit buses have easy-to-use exterior racks that hold two bikes. The bike must be loaded and secured by the owner. Use of the rack is at the risk of the cyclist. If the rack is already full, the transit operator may permit you to bring your bike onboard, depending on passenger loads and the effect on safety. You are responsible for holding your bike securely when it is onboard. If the bus becomes too crowded, the transit operator has the authority to ask you to take your bike off the bus.

Visit piercetransit.org/bikes for more information, including a video showing how to load your bike on a rack. Enjoy the ride!

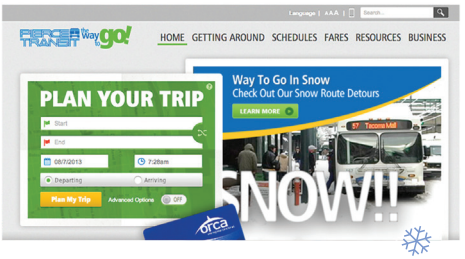
Pierce Transit: The Way To Go in The Snow

Snow is unpredictable here in the Puget Sound. That's why we work to provide you with up-to-date travel information, when your bus must go on detour and when it goes *OFF* detour.



If snow is on the ground, visit piercetransit.org! Maps added to our website show where your bus travels on detour. So whenever snow's falling, check piercetransit.org before you leave to catch your bus. Or get the latest updates sent directly to you through Pierce Transit's Twitter feed.

Twitter.com/PierceTransit

Tips for riding the bus in snow and ice:

- Wait for the bus at the top or bottom of the hill closest to your stop.
- Signal the bus so that the operator has plenty of time to stop.

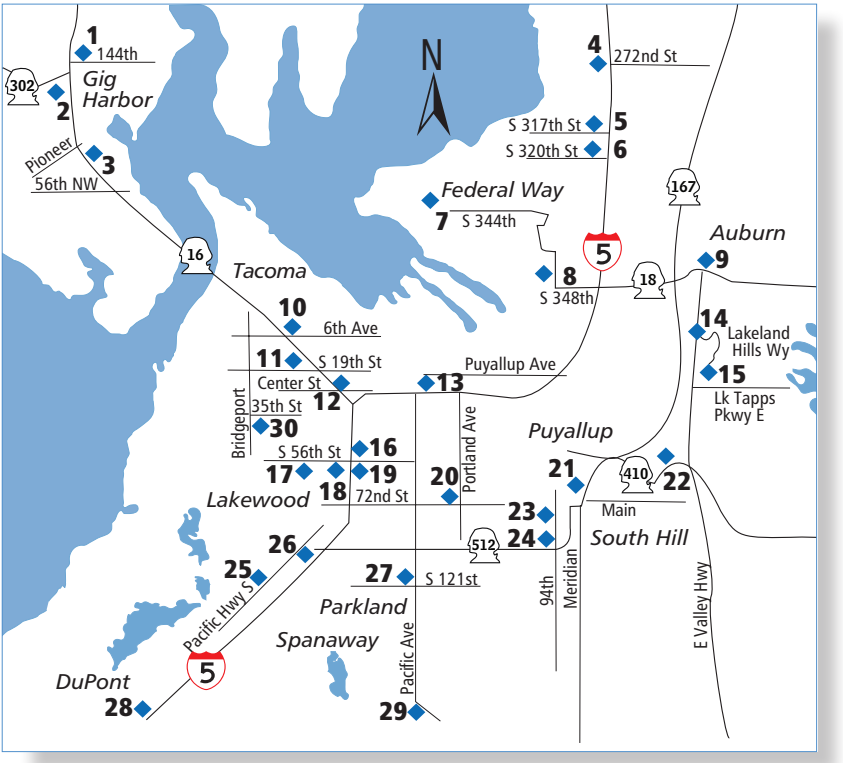
Park & Rides



Park & Ride Lot Locations Most Park & Ride lots are conveniently located along local or express bus routes; others are popular with Vanpool. Our vanpoolers use many of our park and rides. Commuters may park their personal vehicles for up to 24 hours. You can even ride your bike to the Park & Ride lot, load it on the rack at the front of the bus, and be on your way. Secure bike lockers are available at many Park & Rides for a nominal rental fee; look for the symbol on the following page for their locations.

Rules of the Road

Transit Police
253.983.3371

For everyone's safety and comfort, Pierce Transit regulates conduct on its buses and transit properties.
In simple terms, you need to show respect for your fellow passengers, transit employees and for the transit vehicles and facilities you use.

Everyone wins. Transit passengers enjoy a safe, secure, comfortable and inviting atmosphere, and the overall efficiency of the transportation system improves.

It only takes one person to ruin the ride. That's why we take our "Rules of the Road" very seriously. Those who violate the Rules of the Road or Unlawful Transit Conduct (UTC) may be asked to leave the vehicle or facility immediately. Violators may be excluded from transit services for a period of 90 days up to one year. In addition, Pierce Transit Police and/or Safety, or local law enforcement agencies can cite those in violation of UTC. If you have a question or a concern email us at pubsafety@piercetransit.org.

Rules of the Road

1. No use of alcohol. **2.** No traditional or electronic smoking except in designated areas. **3.** No beverages in open containers. **4.** No eating. **5.** All animals must be kept in suitable containers except for service animals. **6.** Sound producing devices must be played through earphones so that the sound is limited to an individual listener. **7.** Speak quietly when using a mobile communications device. **8.** Children may remain in a stroller while on the bus if the stroller has brakes in a locked position, does not block the aisle, doors or steps and is controlled by an adult at all times. If occupying a wheelchair space, and the space is needed for an accessible boarding, the child and stroller must be moved by the adult. Children with special needs may remain in the stroller. **9.** No lawn mowers or other gas powered equipment. **10.** Gasoline and flammable liquids are strictly prohibited at all times. **11.** No explosives or corrosives. **12.** Distributing flyers, pamphlets, brochures, or other written material is prohibited unless authorized under a Pierce Transit facilities use permit.

13. No unlawful firearms or weapons of any type.
14. Keep children seated while on the bus.
15. Customers must wear shirts and shoes when on PT vehicles or in PT facilities.

The Revised Code of Washington (9.91.025) and/or the Tacoma Municipal Code (8.52.020) prohibit the following activities in transit vehicles, at bus shelters, and at transit facilities:

1. Transporting dangerous, flammable, or explosive materials.
2. Discarding hazardous substances or automotive fluids.
3. Obstructing transit vehicles, services, or passengers.
4. Consuming or being under the influence of illicit drugs, alcohol, or any intoxicating beverage, or possessing open alcoholic beverage containers.
5. Unreasonably disturbing or harassing others by being unruly, loud, harmful, raucous, or intimidating.
6. Throwing an object with intent to do harm.
7. Destroying, defacing, or damaging property.
8. Gambling.
9. Smoking or using electronic smoking devices within Tacoma city limits; or smoking outside Tacoma city limits, except in designated areas.
10. Littering.
11. Spitting.
12. Urinating or defecating, except in a restroom.
13. Playing sound-producing equipment without earphones or similar device.
14. Skating or riding skateboard-type equipment.
15. Possessing or trying to use an unissued transfer or fare media.
16. Impersonating a transit employee.
17. Engaging in other conduct inconsistent with transit operations and refusing to obey the lawful command(s) of an agent of the transit authority or a peace officer to cease such conduct.

Unlawful Transit Conduct (UTC) is a misdemeanor offense with a maximum fine of $1,000, incarceration for 90 days, or both fine and imprisonment. Violators may also be excluded from transit services.

Don't touch the driver

Assault on a Transit Employee. Assaulting a transit operator or any transit employee is a Class C Felony (RCW 9A.36.031). It is also a federal offense, and is punishable under the U.S. Patriot Act.

Help Us Help You

When it comes to safety, we can always use an extra pair of eyes. Transit Watch is a safety and security program that encourages active participation by transit passengers. Look around. Be aware. If something doesn't look right, or you spot criminal activity such as vandalism, let us know by calling 253.581.8040. In an emergency, call 9-1-1.

Route
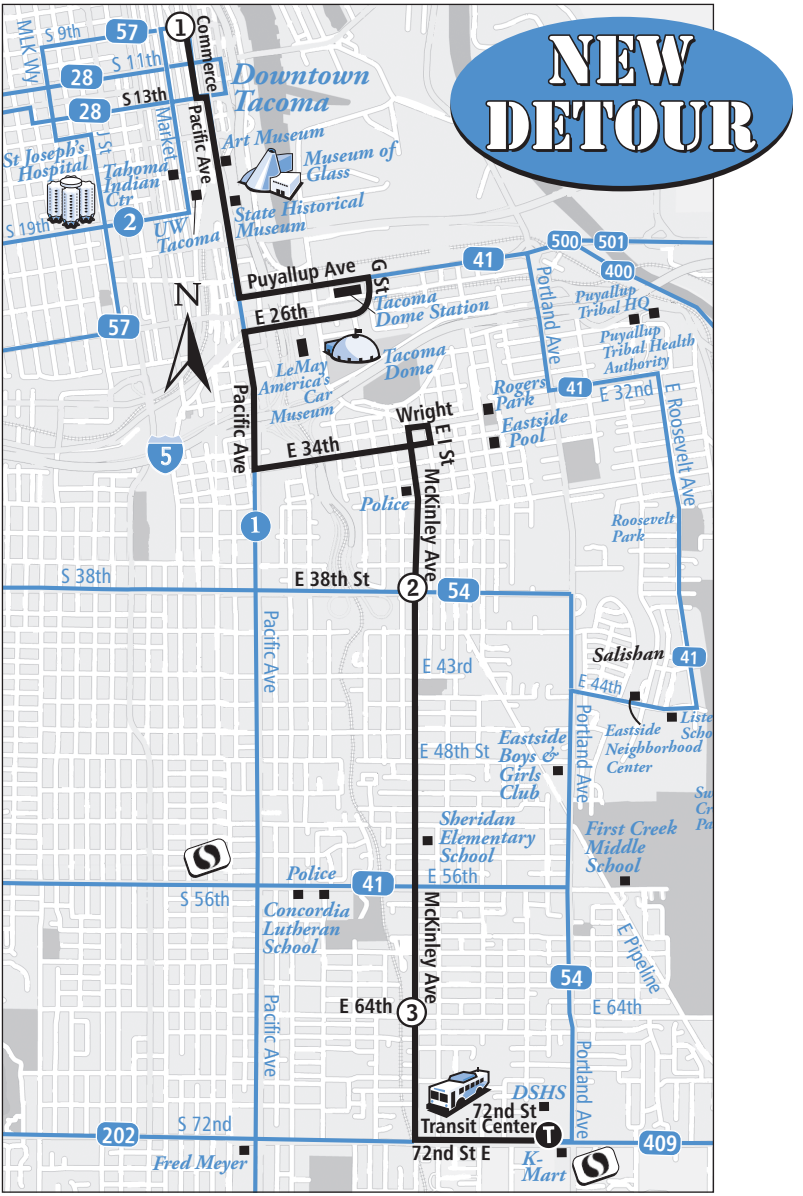
42 McKinley Ave-Downtown Tacoma to 72nd St Transit Center via McKinley Ave



Route 42 is on a long term detour due to the rebuilding of the McKinley Way overpass. This adjusted detour removes the Route 42 from the heavy rail and light rail crossings on D St and has it traveling on Pacific Avenue with transit friendly traffic lights while fostering Sounder connections for customers riding the Route 42.
