**New Peninsula Transportation Service Slated To Start in October**

Key Peninsula Schoolbus Connections is a pilot project, created through a partnership of the Puget Sound Educational Service District, the Peninsula School District, and The Mustard Seed Project of Key Peninsula. Plans include limited use of empty, off-hours school buses as a transportation option for Key Peninsula riders. It is scheduled to launch in October 2011, linking riders with some local businesses and with Pierce Transit's Purdy Park & Ride.
