## What is it?

The Regional Reduced Fare Permit simplifies travel for senior and disabled riders of public transportation around Puget Sound. The following public transportation systems in the Puget Sound region recognize this identification card:

- Mason Transit
- King County Metro Transit
- King County Water Taxi
- Pierce Transit
- Skagit Transit
- Sound Transit
- Washington State Ferries

With the Regional Reduced Fare Permit, eligible persons do not need to carry more than one permit to receive the reduced-fare benefits of multiple systems within the region.

## Who is eligible?

Any person who presents proof of one or more of the following conditions can obtain a Regional Reduced Fare Permit\*:

- 1. Is at least 65 years of age.
- Is now eligible for Social Security Disability Benefits or now receives Supplemental Security Income Benefits because of disability. (Temporary)
- 3. Is currently certified by the Veterans Administration at a 40 percent or greater disability level.
- Has a valid Medicare card issued by the Social Security Administration. (Temporary)
- 5. Has a valid Regional ADA Paratransit card.
- 6. Has a valid ADA Paratransit Card from outside the region.
- 7. Has obvious physical impairments meeting one or more of the medical criteria listed to the right.

## Where is it issued?

Any eligible person may apply for a Regional Reduced Fare Permit at the customer service offices of any of the participating transit agencies. Washington State Ferries, King County Ferry District and Sound Transit do not issue the permits but will honor those issued by any of the other systems. Any applicant with a valid Regional ADA Paratransit card must apply to the transit agency where that person lives.

## How long is it valid?

Permits issued to persons 65 or older and to persons permanently disabled will be valid indefinitely. No renewal is necessary. Persons with disabilities that will last between three months and one year may receive temporary permits. These permits, which carry an expiration date, may be renewed only if the disability continues beyond that date. Persons certified by approved health care providers as permanently disabled may receive permanent permits. Participating agencies retain the right to ask for certification upon loss of a permit or at any other time.

## What does it cost?

An individual must pay a fee of \$3 to obtain the permit. Replacement permits may be obtained from the issuing agency for \$3 or less.

## How does it work?

The permit is an identification card used as proof of eligibility to pay a reduced fare. The permit has no cash value and may not be used as a transfer between systems. The permit holder must pay the amount of the reduced fare on each system used, and use of the permit is subject to any time restrictions in effect by each system.

## **Questions?**

If you have comments or questions regarding the Regional Reduced Fare Permit, please contact your local agency. Participating agencies are listed on the last page of this brochure.
