

Pierce Transit has two new routes offering great service and connections to places you want to go. The Fife-Milton-Edgewood community connectors are operating as a demonstration project.

ROUTE 503 Fife - Puyallup Sounder Station

The Fife to Puyallup Sounder Station Community Connector service operates on weekdays, providing peak commuter service with trips timed to meet Sound Transit trains. Effective September 28th, schedules will be adjusted so the route will meet more Sounder trains.

ROUTE 504 Milton - Edgewood

The Milton and Edgewood Community Connector provides access to destinations in Milton and Edgewood. The service is tailored for local community destinations including shopping, medical, libraries, churches, parks, community centers, and post offices. Effective September 28th, routing will be adjusted as shown to provide service to more popular destinations, and service will operate Monday through Saturday.

Riding the Community Connector is easy. Here are a few basics to get you started.

- 1. Look for your closest bus stop. The numbers on the bus stop sign show which bus routes stop there. Many bus stops have schedules posted on the pole.
- 2. Arrive at the stop at least 5 minutes early. Stand on the sidewalk where the operator can see you.
- 3. Have your fare ready. Use your ORCA card or exact cash. Bus drivers do not carry change.
- 4. As the bus approaches, check the sign above the window to make sure it's the destination you want.

- 5. Stay back from the curb and wait until the bus comes to a complete stop. If you need to use a boarding ramp or lift, just ask the operator.
- 6. Board and pay your fare.
- 7. Ask your driver for the stop closest to your destination. When you're a block away, push the yellow button strip or pull the bell cord. You will hear a message that says "stop requested."
- 8. Call 253.581.8000, option 1, if you don't know how to reach your location by bus. A Customer Service Representative will assist you with your travel plans.

Enjoy the ride!
