PO Box 99070
Lakewood, WA 98496-0070

ADDRESS SERVICE REQUESTED

Dear SHUTTLE Passenger,

Beginning August 2015 the SHUTTLE monthly pass is going to a paperless, virtual pass.

Once a **Virtual SHUTTLE Pass** is purchased you will receive only a receipt; there will be nothing for you to show the driver. Pierce Transit will record the Virtual Pass information directly into your file and it will be noted in the system for the driver. **This pass is valid on the SHUTTLE service only.** The cost of this pass is \$27, the same as a current SHUTTLE Pass. Cash will still be accepted on board as well as One Ride Tickets with magnetic stripes.

No identification is required to purchase a monthly Virtual SHUTTLE Pass.

Anyone may purchase a monthly Virtual SHUTTLE Pass for a registered SHUTTLE rider. All that is needed is the registered SHUTTLE rider's full name, including middle initial.

Virtual Passes are available for purchase:

1. through the mail,
2. online at **piercetransit.org/purchase,**
3. and at the Tacoma Dome Station Bus Shop.

If you ride both SHUTTLE and local bus service, and are currently using a paper SHUTTLE pass, the Virtual Pass is not for you. Instead a Pierce Transit Reduced Fare Monthly Pass can be loaded onto an ORCA* card, or cash may be used. The Pierce Transit Reduced Fare Monthly Pass is good only on local Pierce Transit bus service and SHUTTLE. If you ride other bus services, (King County Metro, Sound Transit, etc.), a Customer Service Representative can assist you with purchasing the correct pass to load onto an ORCA card.

*During our transition period the fee to purchase your first Regional Reduce Fare Permit ORCA card will be waived.

For more information contact Pierce Transit SHUTTLE at (253) 581-8000.

SHUTTLE only (ADA 1)
