FISCAL AGREEMENT BETWEEN
PIERCE TRANSIT AND MULTICARE HEALTH SYSTEMS

THIS AGREEMENT is entered into by and between Pierce County Public
Transportation Benefit Area Corporation (subsequently referred to as "PT"), and
MULTICARE HEALTH SYSTEMS, a Washington nonprofit corporation
(subsequently referred to as "MHS") (together, "Parties").

NOW, THEREFORE, in consideration of the terms and conditions contained herein, it is
mutually agreed by and between PT and MHS as follows:

SECTION 2. PURPOSE and RECITALS
PT and MHS are both members of the Pierce County Coordinated Transportation
Coalition (PCCTC). A mandate created by SHB 2072 by the Washington State
Legislature through the Agency Council on Coordinated Transportation (ACCT) resulted
in the creation of a pilot transportation project known as "Adult Day Health Express"
(ADHE). This project has proven cost effective and efficient for the Parties in meeting
the need of targeted stakeholders. MHS receives payment for transportation services for
the ADHE from Department of Social & Health Services (DSHS) Aging and Disabilities
Services Administration (ADSA), which MHS credits as a set off for payments to be
made by PT to defray the costs of ADHE. It is to PT's benefit to pay the difference
between ADSA's contribution towards transportation services and the cost of such
services that are ultimately provided by a third party transportation vendor (not a party
hereto) because the cost of ADHE services pursuant to PCCTC are significantly less
expensive than other transportation services if provided by PT. This agreement seeks to
continue the ADHE with PT as the fiscal agent for the program.

MHS will continue to act as the lead agency for the ADHE, whose intent is to continue to
provide an economical and efficient form of Special Needs Transportation through shared
funding, contracting with private transportation vendors, and structuring the service to
maximize productivity. Estimated Participantship is 175 persons; 85 Medicaid eligible
and 90 non-Medicaid.

The Parties have previously entered into an agreement in effect from August 11, 2011
through June 30, 2015 in substantially the same form as this agreement. The parties have
operated according to the terms and conditions of this Agreement and the terms of this
Agreement shall cover the period of July 1, 2015 to December 31, 2016, unless extended
further by the parties in writing.

SECTION 2. ACTIVITIES
MHS will act as the lead agency for the ADHE. PT will have the role of fiscal agent and
primary funder of services but will not provide transportation services for ADHE. The ADHE
program will continue to provide coordinated transportation for Adult Day Health (ADH)
clients in Pierce County to MultiCare ADH, located at 6442 S. Yakima Avenue in Tacoma, WA. Transportation services provided will continue to adhere to specifications defined in the Transportation Services Agreement (See Exhibit A) and will be offered a third-party transportation services provider for both morning and afternoon programs, Monday through Thursday. Hours of operation are also specified in the Transportation Services Agreement. MHS may expand the ADHE to include Friday programming if financial conditions permit this expansion, upon agreement of parties to this agreement.

MHS solicited and will continue to solicit competitive proposals for the ADHE transportation services from qualified Special Needs Transportation firms, subsequently referred to as "vendors." All vendors shall be subject to the requirements and terms of the Transportation Services Agreement, Exhibit A. MHS will be responsible to ensure that any contract between MHS and its transportation vendors will contain the service description, hours of operation, reporting, and billing requirements specified below, as well as compensation requirements from the Washington State Department of Transportation for subcontractors, sections 8 through 25. (Exhibit B) MHS will provide to PT a copy of all contracts awarded between MHS and any transportation vendor.

- Multicare and the vendor shall comply with the requirements of a subcontractor as specified in Exhibit B in reference to the WSDOT Agreement provisions.

- MHS will bill the Department of Social & Health Services (DSHS) Aging and Disabilities Services Administration (ADSA) at the rate of $15 per person per day for transportation, for each of the Medicaid eligible participants. This amount will be noted on the transportation vendor's billing, and the amount will be deducted before the invoice is sent to PT.

- PT will pay the $15 per day co-pay for non-Medicaid patients when other funding is unattainable.

- Pierce Transit will pay MHS the remaining cost for ADHE services provided beyond the available DSHS/ADSA match, and as otherwise specified by this agreement.

**SECTION 3. REPORTING**

By the 20th day of the following month, MHS will submit monthly reports to PT including:

- Participant name; Participant address;
- Participant pick up time; Participant drop off time;
- Vehicle miles; Vehicle hours;
- Participant pick up/drop off Zone

PT will act as the fiscal agent for this transportation services agreement. PT provides a data specialist utilizing PT resources to review driver manifests creating an electronic
record, ensuring correct address, arrival and departure time, escort time and odometer entries. This process ensures data integrity for possible National Transit Database (NTD) reporting, and possible future funding partners. PT reviews the transportation vendor’s billing for correct zone assignment, no-shows, late cancels and special transports. PT approves the client master file.

Funding is provided by Pierce Transit, DSHS/ADSA, and other sources that may be developed during the course of this agreement.

MHS will provide information as needed to PT for program evaluation, reporting and assessment.

**SECTION 4. TERM OF THE AGREEMENT**

This Agreement shall commence on January 1, 2016, applied retroactively to July 1, 2015, and end on December 31, 2016. This Agreement may be extended for three additional one year contracts if both parties agree in writing, and in any event, only after MHS provides satisfactory evidence of its contract with a transportation vendor who meets the requirements of Exhibit B and has completed a contract in substantially the same form as Exhibit A if any new transportation vendor(s) is or are added to the ADHE program.

**SECTION 5. COMPENSATION**

PT agrees to reimburse MHS the cost of the rides for ADHE as determined through the RFP process - a per person per zone rate, currently billed as follows:

- Zone 1 - $25.13
- Zone 2 - $32.78
- Zone 3 - $39.34
- Zone 4 - $43.18

These rates to be evaluated based on the current CPI yearly each January beginning with January 2016 and in accordance with Exhibit A.

The $15 per person per day reimbursement MHS receives directly from Medicaid for Medicaid eligible Participant transportation will be deducted from PT’s payment to MHS.

Special transportation rates will apply in circumstances described in the Transportation Services Agreement.

PT shall monitor and finalize requests for reimbursement to determine correctness.

Reimbursement to MHS of the costs it pays for transportation will be made via monthly billing submitted to PT by the 20th of the following month. Billing shall be submitted to:

MultiCare’s obligation to indemnify, defend and hold harmless includes any claim by MultiCare’s agents, employees, representatives, or any subgrantee or its agents or employees or representatives.

MultiCare’s obligation to indemnify, defend and hold harmless shall not be eliminated by any actual or alleged concurrent negligence of Pierce Transit, or the state or their agents, agencies, employees and officers.

Subgrants shall include a comprehensive indemnification clause agreeing to defend and holding harmless: Pierce Transit; the Washington State Department of Transportation; the Washington State Department of Commerce; the State of Washington; and any and all of their officers, employees and authorized agents.

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
(d) Have not within a three-year period preceding this agreement had one or more public transactions (Federal, State or local) terminated for cause or default.
(2) Where the County and/or the municipal corporation are unable to certify to any of the statements in this certification, they shall attach an explanation to this agreement.
SECTION 8. INSURANCE

MHS shall provide a certificate of insurance reflecting such coverage and additional insured status prior to contract execution, which shall be attached to the contract.

k. **General:** By requiring insurance, MHS does not represent that the coverage and limits specified will be adequate to protect the Contractor. Such coverage and limits shall not be construed to relieve the Contractor from liability in excess of the required coverage and limits and shall not limit the Contractor's liability under the indemnities and reimbursements granted to MHS in this Agreement. All insurance provided in compliance with this Agreement shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the State. MHS may deduct the amount due to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Contractor.

8. **Workforce Practices/Screening.** Contractor shall abide by the practices set forth in Exhibit B and screen its workforce as set forth in Exhibit B. If any Contractor personnel are on MHS premises at any time, such Contractor personnel shall abide by all MHS policies and procedures, including but not limited to MHS' Vendors Representatives policy and Non-Employee On and Off-Boarding policy (copies of which are available upon request).

Services not conforming to these requirements may be considered defective.

10. **Indemnification.** Contractor shall, at minimum, comply with all indemnification and hold harmless requirements as listed in the Medicaid Non Emergency Medical Transportation ("NEMT") Standards as set forth in Exhibit C. Contractor shall defend, indemnify and hold MHS, its directors, officers, agents, and employees harmless from any and all claims for loss or liability arising out of or related to any alleged act or omission by any employee, shareholder or agent of Contractor. Without limiting the generality of the foregoing, Contractor shall indemnify, defend and hold harmless MHS from allegations that MHS is vicariously liable for negligent acts of Contractor, or that MHS negligently granted staff privileges or failed to supervise Contractor. MHS shall defend, indemnify, and hold Contractor harmless from any and all claims for loss or liability arising out of or related to any alleged act or omission by MHS employees. Without limiting the generality of the foregoing, MHS shall defend, indemnify and hold Contractor harmless from claims against Contractor based on the quality of the hospital facilities or equipment or the acts of MHS employees.
Contractor specifically and expressly waives its immunity and limitation of liability under any industrial insurance, RCW 51, or other employee benefit act of any jurisdiction that otherwise would be applicable in the defense of such claim, and Contractor acknowledges that this waiver was mutually negotiated in accordance with RCW 4.24.115.

In the event of an incident involving the performance of Services that could lead to a potential liability, Contractor agrees to work cooperatively with MHS in its investigation and mitigation efforts and Contractor shall make its employees available to MHS immediately. Contractor shall not take any action to obstruct MHS' investigation efforts. A breach of this Section shall be a material breach of the Agreement giving MHS the right, at its option, to terminate the Agreement.

11. HHS / Comptroller General Access to Records. If services valued at over ten thousand dollars ($10,000.00) per year will be provided under the terms of the Agreement and §42 USC §1395x(v)(1)(I), as amended, and any written regulations pursuant thereto (Section 1861 (v)(1)(I) of the Social Security Act) is applicable to this Agreement, this Section shall apply to both parties. In accordance with the Omnibus Reconciliation Act of 1980, each party agrees that their books and records will be available to the Secretary of Health and Human Services and the Comptroller General of the United States, or their duly authorized representatives, for four (4) years after termination of this Agreement. (Contractor agrees to retain all such books and records for not less than six (6) years after termination.) In the event that any of the services to be performed under this Agreement are performed by any subcontractor of either party at a value or cost of $10,000.00 or more over a 12 month period, such party shall assure said contractor complies with the provisions of the Omnibus Reconciliation Act of 1980.

12. Conversion. In the event that any payment made to Contractor hereunder is determined by the parties or a court, an instrumentality of the federal or any state or local government agency, a body having the power to exercise disciplinary authority over one or more of the parties, or the Office of the Attorney General, to be improper for any reason, or are found to threaten the tax exempt status of MHS then, if capable of reformation, this Agreement shall be reformed by agreement of the parties negotiating in good faith so as not to violate any such law or be improper for any reason. If the parties are unable to agree on the terms of such reformation, they shall engage in mediation in good faith at the request of either party, with Washington Arbitration and Mediation Services, Inc. (other such mediation service or mediator as the parties shall mutually agree).

13. Confidential and Proprietary Information. In performing their obligations under this Agreement, Contractor and/or its agents may be exposed to confidential information which includes but is not limited to protected health information, MHS' proprietary information, employees, research, development, business affairs, records, processes, techniques, types of equipment, and MHS' confidential business information ("Confidential Information"). Contractor its officers, employees, and subcontractors shall agree in writing to maintain confidentiality of all Confidential Information obtained during the term of this Agreement and shall be responsible for ensuring that its employees and agents abide by such obligations. Contractor and/or its employees or agents shall not disclose, distribute, copy, share, or otherwise use any Confidential Information (including the terms of this Agreement) except as expressly permitted by MHS in writing. Any patterns, samples, specifications, drawings, designs, documents, data and other information transmitted to Contractor by MHS in connection with the performance of this Agreement are the property of MHS and are disclosed in confidence upon the condition that they are not to be reproduced or copied or used for
furnishing information or equipment to others, or for any other purpose detrimental to the interest of MHS. Upon completion of work under this Agreement, Contractor and its employees and agents shall return to MHS all confidential information and all records or documents received from MHS, including, without limitation, any and all copies thereof. MHS shall be entitled to injunctive relief for any violation of this paragraph. Contractor agrees to instruct its employees and subcontractors regarding Confidential Information and to enter into written agreements protecting Confidential Information as set forth in this Section. Neither party, its employees, nor subcontractors shall engage in any practice that could compromise the confidentiality of patients, guests or staff, or information maintained at MHS. In the event of a breach of this Section, Contractor agrees to work cooperatively with MHS in its investigation and mitigation efforts and Contractor shall make its employees available to MHS immediately. Contractor shall not take any action to obstruct MHS' investigation efforts. A breach of this Section shall be a material breach of the Agreement giving MHS the right, at its option, to terminate the Agreement.

14. Business Associate Provisions. To the extent that Contractor’s contact with individually identifiable health information, while performing services under this Agreement, is unanticipated and/or such contact would only be incidental to the performance of the services (such as passing through a patient care area) a Business Associate Agreement is not needed for these Services. However, for any party who is expected or intended to routinely encounter such information as part of this Agreement, the parties shall execute MultiCare’s Business Associate Agreement.

15. Works Made For Hire. Contractor acknowledges that any written materials, photographs, drawings, mixed media, or other visual or graphic representations in any form or format, including digital media, film, audio or any other form of expression, produced by Contractor at the documented written request of MHS, shall constitute “works made for hire” and as such shall be deemed to be the property of MHS, free and clear of any claim of any kind or nature by Contractor or Contractor’s heirs, successors or assigns. To the extent that any such item shall, for any reason, be deemed by a court of competent jurisdiction to be partially or completely owned by Contractor, Contractor hereby authorizes MHS and its heirs, successors and assigns to utilize such item(s) together with any derivative works in any manner within MHS' sole and absolute discretion, for a period of fifty (50) years, on a worldwide basis.

16. Infringement. Contractor warrants and represents that the services ordered herein and their sale, performance, use or disposal alone or in combination with other products will not infringe upon any U.S. or foreign patents, copyrights or trademarks or otherwise infringe upon any right of any third party, and Contractor agrees to indemnify, defend, protect and save harmless MHS, its successors, assigns, affiliates, customers and users of its products, against all suits and from all, claims, losses, expenses or damages of any kind resulting from any actual or alleged infringements; provided, however, that this indemnity shall not apply to any such claims, losses expenses or damages arising out of compliance by Contractor with specifications furnished by MHS.

17. Standards of Business Conduct. Contractor agrees to abide by the Standards for Business Conduct set forth by MHS which can be found on the internet at http://www.multicare.org/files/library/61e56b29e11ea5e0.pdf Printed versions are available upon request.

18. Entire Agreement; Modifications. This Agreement constitutes the entire agreement
between the parties regarding its subject matter and supersedes all prior contracts, agreements, understandings, and discussions, whether oral or written. Contractor acknowledges that it has relied solely on the covenants and representations set forth in this Agreement and no others. This Agreement, including Exhibits, may only be modified by a written document signed by both parties. No waiver of any provision of this Agreement shall be valid unless in writing and signed by or on behalf of the person waiving such provision, and no such waiver when executed shall constitute a waiver of any further failure to comply fully with this Agreement.

a. Assignment. This Agreement and any duties or responsibilities under it may not be assigned by a party without the prior written consent of the other party.

b. Time of the Essence. Time of the essence of this Agreement.

19. Arbitration. In the event of any dispute arising under this Agreement, the dispute shall be submitted to binding arbitration pursuant to RCW 7.04 and the substantially prevailing party shall be entitled to costs and reasonable attorneys' fees.

25. Debarment / Sanctions List. Further, if during any term of this Agreement, Contractor is placed on the sanctions list, excluded from government contracts or convicted of a felony or any crime relating to healthcare, Contractor immediately will notify MHS in writing of the event and such notice shall contain reasonably sufficient information to allow MHS to determine the nature of the sanction, exclusion or conviction. MHS will have the right to terminate this Agreement immediately by written notice to Contractor if Contractor is placed on the sanctions list, banned from government contracts by GSA or convicted of a felony or any crime relating to healthcare.

CONTRACTOR’S WORKPLACE PRACTICES AND WORKFORCE SCREENING

1) EEOC/Employee & Applicant Tracking. During the performance of this Agreement, Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, gender, sexual preference, marital status, age, national origin, physical or mental handicap, disabled veteran or veteran status or any other reason prohibited by law including but not limited to the Code of Federal Regulations Chapter 41 60-1.4(a), 60-250.5(a), 60-300.5(a), 60-741.5(a) and Chapter 29 Part 471 Appendix A to Subpart A (“Federal EEO Laws”). Contractor will take affirmative action to assure that Contractor’s employees and applicants are treated in accordance with all applicable state or federal laws during the processes of pre-hiring and/or employment by Contractor, without regard to their race, color, age, national origin, physical or mental handicap, disabled veteran or veteran status or any other reason prohibited by law including but not limited to Federal EEO Laws. Such action shall include, but not be limited to the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising; layoff or termination; establishment of rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor will maintain all documentation required by the Equal Employment Opportunity Commission (EEOC) and will make all aggregate data pertaining to Contractor’s employment practices available to MHS to the extent that MHS is required, for any reason, to include Contractor’s employment data in MHS’ EEOC reports.

2) Criminal Background Screenings. Washington State law (RCW 43.43.830 through 43.43.845) prohibits the employment by health care entities including those operated by MHS of individuals who have been convicted of certain enumerated crimes against persons or other major felonies. As a contractor, Contractor agrees to perform criminal background checks on all Contractor personnel assigned to MHS by Contractor unless such requirement is specifically waived by MHS at the time of engagement of Contractor for a particular project that may not require such background screens.

All personnel assigned to MHS by Contractor shall pass a pre-employment background screen, updated annually thereafter, to include:

- A standard Washington State Patrol background check for all Contractor employees who have resided in Washington State for the most recent three (3) years; and
- An external criminal background report, in addition to the WSP check, for any states in which the Contractor employee has resided within the previous three years.

Candidates whose background checks include any felony convictions within the past ten (10) years or any crimes against persons will NOT be assigned to any MHS location.

MHS will have a right to review background screens of all personnel assigned by Contractor upon request. Contractor will retain all such screens for a minimum of ten (10) years after assignment of a person to MHS.
MHS recognizes that Criminal Background checks performed by Contractor (or any other agency) are inherently difficult to perform in many jurisdictions, due to the absence of a national criminal records database. MHS merely require that Contractor performs consistent criminal background checks where feasible to do so, and where a complete background check cannot be adequately performed, Contractor is expected to notify MHS of that fact, in advance of placement of any assigned personnel.

3) Healthcare Background Screenings. Contractor represents and warrants to MHS that Contractor and all personnel providing services to MHS under this Agreement, as applicable, have not been placed on the sanctions list issued by the Office of the Inspector General of the Department of Health and Human Services pursuant to the provisions of 42 U.S.C. § 1320a(7), have not been excluded from government contracts by the General Services Administration (“GSA”) and have not been convicted of a felony or any crime relating to healthcare. Further, if during any term of this Agreement, Contractor is placed on the sanctions list, excluded from government contracts or convicted of a felony or any crime relating to healthcare, Contractor immediately will notify MHS in writing of the event and such notice shall contain reasonably sufficient information to allow MHS to determine the nature of the sanction, exclusion or conviction. MHS will have the right to terminate this Agreement immediately by written notice to Contractor if Contractor is placed on the sanctions list, banned from government contracts by GSA or convicted of a felony or any crime relating to healthcare.

4) Drug Screenings. As a contractor for MHS, Contractor agrees to perform drug screen checks on all Contractor personnel assigned to work in clinical care areas at MHS by Contractor.

- Persons who test positive for non-prescribed controlled substances will not be allowed to work at any MHS facility.
- Prohibited Conduct: Violation of any of these rules will result in a do not return status for Contractor personnel and may result in Contractor’s contract status to be placed as a non-preferred vendor or up to the termination of Contractor’s contract with MHS. The following conduct is strictly prohibited:
  
  - Being under the influence of alcohol or an unauthorized controlled substance while at work.
  - Contractor’s employees taking prescribed controlled substances must review with their health care provider, whether use will affect ability to perform the essential functions of the job. Recommendations by the health care provider must be provided to MHS and Contractor must be informed, in advance, of the planned placement of any Contractor employee taking controlled substances during work assignments at MHS Facilities.
  - The unlawful manufacture, distribution, dispensation, diversion or possession of a controlled substance.

- Criminal Convictions: Federal law requires that any employee convicted of a criminal drug statute for a violation occurring in the workplace must inform their employer in writing no later than five (5) days after such conviction (or if employee
pleads no contest or is sentenced). This information must be relayed to MHS by Contractor.

Contractor agrees to assist MHS in its efforts to comply with these regulations by performing drug screen checks on all Contractor personnel assigned to MHS by Contractor.

5) Health Immunizations. percent (10%) of inspected drivers do not meet requirements of regulations or this contract, the remainder of the drivers shall be verified. 

(c) Drivers not passing these verifications shall be immediately removed from serving ADH participants. Each driver shall be re-verified before she or he may serve ADH participants under this contract.

(5) Complaint Initiated Verifications.

Title: Cancels/Late Cancels/No Shows/Drop No Shows

Scope: Adult Day Health Participants

Policy Statement: There are specific criteria to be met related to transportation cancellations and/or transportation “No Shows” for Adult Day Health (ADH) participants who ride the ADH Express.

Definition

“No Show” (NS) occurs when an ADH Express bus arrives within the designated pick-up time and the participant is either not there, does not board the bus within five (5) minutes, or cancels at the door.

“No Show Provider Fault” (NSPF) occurs when the transportation provider attempts to pick up a participant despite having received prior communication from ADH that the ride was to be cancelled.

“Drop No Show” (DNS) occurs when a participant is transported to their residence and no one is at the destination to receive them causing the participant to continue on route for a later drop off.

“Cancel” (CX) occurs when a participant’s transportation trip is cancelled before 8:30AM for AM participants and before 12:30PM for PM participants.

“Late Cancel” (CXL) occurs when a ride is not cancelled within the established time and mileage parameters.

Time “Deadlines”: AM participant cancellations should be sent by ADH to the transportation provider by 7:45 AM; PM participant cancellations should be sent by ADH to the transportation provider by 11:45 AM each day.

“No Show Report”: A daily e-mail that is sent by the transportation provider at the conclusion of each program’s busing to the ADH supervisor and other individuals at ADH and Pierce Transit designees which provides a list of clients who have incurred a No Show or a Late Cancel.
Procedures

A. Cancelled (CXL)
1. Cancellations do not require a 48-hour notice.
2. Participants or caregivers are requested to inform Adult Day Health of cancels by the established deadlines per the Riders Guide.
3. A voice message can be left 24-hours a day at the ADH main number.
4. ADH will communicate all cancels received via the Transportation Changes workbook by the established deadlines: 7:45 am for AM participants and 11:45 AM for PM participants.
5. If a cancel is called in past the deadline, ADH staff will immediately notify the transportation provider of the cancel by e-mail.
6. The transportation provider dispatcher will call and notify the driver in an effort to prevent the bus from incurring miles towards the cancelled participant’s residence.
7. The driver must indicate on the manifest the time that the notification of the cancel was received from dispatch.
8. Next day cancels will be sent via e-mail by the close of business the day prior.

B. Late Cancels (CXL)
1. Cancels received after 8:30 a.m. for the AM program or after 12:30 p.m. for the PM program, as per definition, are considered “Late Cancellations”.
2. When a cancel call is received after these deadlines, ADH will immediately e-mail the cancel to the transportation provider in an effort to prevent mileage occurrence.
3. A Late Cancel fee may be assessed by the transportation provider at the current contracted rate when:
   a. An e-mail notification of the cancel was received after 8:30 am for AM participants and after 12:30 pm for PM participants AND the driver receives notification of the cancel after mileage has already been incurred (e.g. the bus has left their prior pick-up address and are in route to the cancelled residence), or,
   b. The cancelling participant is the first pick-up of the route and the driver receives notification of the cancel while in route to the residence.
4. All Late Cancels must be indicated on the manifest designating the time and mileage of when the notification of the cancel was received from dispatch in order to be paid.
5. The Transportation provider should include any Late Cancels on the daily “No Show” e-mail sent to ADH and should include the client’s name and indication that it is a Late Cancel.
6. All Late Cancels must be authorized by the ADH supervisor, or designee. This authorization is communicated directly to Pierce Transit via e-mail with a c.c. to the transportation vendor.

C. No Shows (NS)
1. A No Show is incurred when a participant/caregiver has not cancelled a scheduled ride, the driver arrives at the residence to pick up the participant, and the participant does not take the scheduled trip.
2. All No Shows must be clearly indicated by the driver on the manifest in order to be paid.
3. A valid No Show will be paid based upon the current contracted rate.
4. The transportation provider will send a "No Show" e-mail listing the names of participants who have incurred a No Show at the conclusion of each program’s busing.

D. Drop No Shows (DNS)
1. A Drop No Show is incurred when a bus driver attempts to deliver a participant to their residence or final destination and no one is at home or available to receive them.
2. The ADH supervisor, or designee, must verbally authorize a Drop No Show via phone with the dispatcher at the time it occurs followed up by e-mail authorization directly to Pierce Transit with c.c. to the transportation provider.
3. A Drop No Show will be paid based upon the current contracted No Show rate.
4. Stand-by rates can be assessed for minutes spent waiting at the residence beyond ten (10) minutes while attempts are made to contact the caregiver and coordinate an alternate plan.
5. The ADH supervisor, or designee, must verbally authorize Stand-by minutes via phone with the dispatcher at the time they are incurred followed up by e-mail authorization directly to Pierce Transit with c.c. to the transportation provider.
6. The driver must indicate the Drop No Show, any stand-by minutes, and all other details related to the failed delivery on the daily manifest in order to be paid.
7. All drop no shows will be included in the daily No Show Report identifying the ADH staff who gave authorization.

E. Communication of No Shows and Late Cancellations to Clients
The No Show and Cancellation guidelines are outlined in the Adult Day Health Express Riders Guide which is provided to every participant at enrollment. ADH will make every effort to contact participants/caregivers when there has been a No Show or Late Cancel to inform them of the incident and remind them of the policy. No shows that are incurred due to fault of the transportation provider or ADH will not count against the participant.

F. Violations
Participants who incur three (3) valid “No Shows” or Late Cancellations within a continuous 30-day period will incur a violation and may be suspended from service. Violations are counted within a rolling one (1) year period.

First violation ............ 1 week transportation suspension
Second violation ........ 2 weeks transportation suspension
Third violation ........... Discharged from transportation

G. Suspension from Service
Suspensions are progressive. A suspension will not take effect for a minimum of five days from the date of notice. Participants may still attend the Adult Day Health Center during transportation suspension if private transportation is provided by the caregiver.
H. Termination from Services
Once a participant has incurred three (3) violations against the No Show/Late Cancel policy within a rolling one (1) year period, the participant is subject to termination from transportation services.

I. Appealing Suspension/Termination
Each participant has a right to appeal a decision to suspend or terminate services. All appeals must be submitted in written form to:

Supervisor, Adult Day Health
PO Box 5200
MS: 6442-1-ADH
315 S. ML King, Jr. Way
Tacoma, WA 98415

The Supervisor will notify the participant/caregiver of the final decision in writing within five (5) ADH Program days of receiving the appeal.

Title: No One Home To Receive Participant

Scope: Adult Day Health (ADH) Staff, Participants, Caregivers, and Contract Transportation Provider

Policy Statement: There is a defined process to follow when an ADH Express bus arrives at the participant’s home, no one is home to receive them, and alternate delivery plan is needed.

Procedures

A. When the Bus Driver Arrives at Destination after de-boarding, escorting participant to the residence and determining no one is at Home to Receive the Participant, the bus driver will:
   1. Notify dispatch.
   2. Re-board the participant to ensure the participant’s safety while waiting for instructions from dispatch.

B. Prior to Contacting the Adult Day Health Supervisor, or designee, the Dispatcher will:
   1. Remain in contact with the bus driver.
   2. Call the participant’s address, primary telephone number and emergency telephone number(s) listed on the current Adult Day Health (ADH) master client file.
      a. Time allowing and as appropriate, dispatcher will call Pierce Transit at 253.581.8100 and ask a SHUTTLE Customer Service Representative (CSR) to check the client files for additional emergency contact numbers. The SHUTTLE CSR line is staffed 6:00 AM through 7:30 PM daily.
   3. Determine the status of the caregiver and their ability to receive the participant.
   4. If unable to reach the caregiver or if determined that the caregiver would be unable to reach the home within a short, specified period of time, dispatcher will contact ADH to notify and discuss options.
C. The Dispatch Office Will Communicate with Adult Day Health Personnel
1. Call main ADHC number during staffed ADH hours: Monday through Wednesday, 7:30 AM-7:00 PM and Thursdays, 7:30 AM-4:00 PM; outside of regularly staffed hours call the ADH Supervisor or on-call staff at the numbers provided.
2. Notify ADH of no one being home to receive the participant and inform ADH of steps taken to reach participant contacts.
3. Verify the drop-off address and phone numbers with staff as appropriate.
4. During the ten (10) minute grace period at the residence, and after consultation between dispatcher and ADH, two options are available:
   a. If caregiver arrives prior to bus leaving residence, the driver will deliver participant to care giver.
   b. If caregiver does not arrive prior to bus leaving residence, ADH will give verbal authorization to re-route and deliver remaining participants on board. Once a bus has left the residence there is no time guarantee as to what time the bus will return.
5. During the re-route period, dispatch will continue to attempt to reach the caregiver and coordinate with ADH so that by the conclusion of the route there will be a determination whether the bus returns to the participant's residence or to ADH.
6. Refer to the Drop No Show and Stand-by policies.
7. Ensure that the DNS and any stand-by minutes are noted on the manifest in order to be paid.
8. Transportation provider may bill for the drop no show (DNS) plus any stand-by time beyond the ten (10) minute grace period based upon the current contracted rates.

D. If the Participant's Caregiver/Family Arrives Home, the Dispatcher will:
1. Adjust the route drop off sequence as appropriate. Bus will proceed to end of the route if returning to the DNS residence is deemed disruptive to other participants.
2. Notify the ADH Supervisor, or on-call staff, of the trip completion.
3. Ensure that details including times and mileage incurred between the last drop and return to the residence are logged on the manifest by the driver in order to be paid.
4. Transportation vendor may bill for the return trip to the DNS residence at the standard zone rate based upon the current contracted zone rates.

E. If the Participant's Caregiver/Family Does Not Arrive Home, the Dispatcher will:
1. Notify the ADH Supervisor, or on call staff, of the trip status and obtain verbal authorization to initiate a special transport.
2. Instruct the bus driver to transport the participant back to ADH.
3. Communicate with the Supervisor or on-call staff to coordinate the drop off time so that proper staff can be available to receive the client.
4. In rare circumstances, the special transport may be to another address.
5. Once the participant is safely delivered, the driver will terminate the special trip and return to base making sure that the special transport, including times and mileage incurred between the last drop and return to ADH, are logged on the manifest in order to be paid.
6. Refer to the Special Transport policy.
7. The transportation provider may bill for the special transport based upon the current contracted special transport rates.

F. ADH Staff Will Return to ADH and Will:
1. Meet the bus driver and take responsibility for the participant.
2. Contact the caregiver and request that they pick up their participant. If they are unable to meet this request, other transportation options will be explored. Under no circumstance will a participant be transported in a private staff vehicle.
3. Wait with the participant until an authorized individual arrives to transport the participant home; or take appropriate action if caregiver/family cannot be contacted in a reasonable amount of time after consultation with Supervisor.
4. The ADH Supervisor or ADH Case Manager will follow up with the participant/caregiver to discuss the event and how to prevent a reoccurrence.
5. The ADH supervisor will determine if the special transport fee should be billed to the participant/caregiver.

Title: Adult Day Health SPECIAL TRANSPORT AND STAND-BY

Scope: Adult Day Health Center (ADH) Staff, Participants, Caregivers, and Contract Transportation Provider

Policy Statement: Special transports may be scheduled for ADH participants in emergent situations.

Definition
Special transports are unexpected and last minute transportation arrangements that fall outside of the regular scope of service and made for a participant who needs to leave the ADH Center for an emergent reason or when the participant must be returned to ADH when there is no one home to receive.

Procedures

A. Acute Emergency
In the case of an acute medical emergency the 911 system will be activated and the participant transported by emergency services if deemed necessary.

B. Non-Acute Emergencies
Special transports may be required when a participant has a non-emergent medical issue, is too ill to remain at ADH, or has other issues which prevent him/her from being able to remain at the center. When one of these issues arises, ADH staff will contact the caregiver and request that they pick up their participant. If they are unable to meet this need a special transport will be requested.

C. No One Home To Receive
Refer to policy: No One Home to Receive Participant.

D. Special Transports
1. Special transports must be authorized by the ADH Supervisor, or designee, in advance of the ride on a case by case basis.
2. Special transport arrangements will be communicated via telephone between the transportation provider and the ADH supervisor, or designee.
3. Verbal authorization will be provided to the transportation provider with a subsequent e-mail authorization by ADH sent to the fiscal agent, with a c.c. to the transportation provider, within 2 days.
4. The details of all Special transports must be indicated by the driver on the manifest in order
to be paid.

5. If no one is home to receive and there is a successful re-route back to the residence, the transportation provider may bill for the return trip to the residence based upon the current contracted zone rates (not a special transport fee).

6. All Special transports will have a follow up e-mail initiated by the transportation provider and sent to the “transportation changes distribution list” communicating the name of the ADH staff who authorized the Special Transport and a summary of the circumstances.

**Special Transport Fees**
Special transport fees can be assessed:

1. In the case of a non-acute emergency when a new ride is scheduled that is not a part of the regular ADH daily scheduled pick up and/or drop off route. This does not include delivering a participant to their scheduled drop address after a Drop No Show.

2. When there is a return trip to ADH (e.g., when there is no one home to receive and there has been an unsuccessful re-route), special transport mileage will include the miles incurred between the starting point of the special transport and ADH, paid at the special transport rate set forth in Ex. A.

3. Mileage and times must be indicated on the manifest in order to be paid.

4. Costs incurred due to a special transport may be billed to the participant/caregiver by ADH. Any special transport payments received by ADH will be deducted by ADH on the following month’s Pierce Transit Invoice.

**Stand-by Fees**
Stand-by fees can be assessed:

1. For minutes spent coordinating a Drop No Show/No One Home to Receive beyond the ten (10) minute grace period.

2. When there is an incident on the bus, such as a medical emergency where the bus would need to pull off the road, return to ADH, or call 911.

3. The ADH supervisor, or designee, must be notified via telephone when a bus initiates stand-by time.

4. Verbal authorization will be provided to the transportation provider with a subsequent e-mail authorization by ADH sent to the fiscal agent, with a c.c. to the transportation provider, within 2 days.

5. All stand-by minutes must be indicated in detail on the daily manifest in order to be paid.

If the CONTRACTOR has failed to select the Charter Service Agreement in its latest annual Certification and Assurance to FTA and does conduct charter service operations prohibited by FTA's Charter Service regulations, the CONTRACTOR understands and agrees that: (1) the requirements of FTA's Charter Service regulations and any amendments thereto will apply to any charter service it or its subrecipients, lessors, third party contractors, or other participants in the Project provide; (2) the definitions of FTA's Charter Service regulations will apply to the CONTRACTOR's charter operations, and (3) a pattern of violations of FTA's Charter Service regulations may require corrective measures and imposition of remedies, including barring the CONTRACTOR, subrecipient, lessee, third party contractor, or other participant in the Project from performing charter service under the Project from receiving Federal financial assistance from FTA, or withholding an amount of Federal assistance as set forth in Appendix D to those regulations.

Section 11

If the CONTRACTOR has failed to select the School Transportation Agreement in its latest annual Certifications and Assurances to FTA and does conduct school transportation operations prohibited by FTA's School Bus Operations regulations, 49 C.F.R. Part 605, to the extent those regulations are consistent with 49 U.S.C. §§ 5322(f) or (g), the CONTRACTOR understands and agrees that: (1) the requirements of FTA's School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), from receiving Federal transit assistance in an amount FTA considers appropriate.

Section 12
Incorporation of Federal Terms

A. Purchasing. This AGREEMENT's provisions include, in part, certain Standard Terms and Conditions required by FTA, whether or not expressly set forth in this AGREEMENT's provisions. All contractual provisions required by FTA, as set forth in FTA Circular 4320.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this AGREEMENT. The CONTRACTOR shall perform any act, fail to perform any act, or refuse to comply with any WSDOT request, which would cause WSDOT to be in violation of any FTA term or condition.

B. Federal Changes. The CONTRACTOR shall always comply with all applicable FTA regulations, policies, procedures and directives, whether or not they are included in this AGREEMENT and to include any amendments promulgated by the FTA, during the term of this AGREEMENT. If CONTRACTOR's failure to so comply shall constitute a material breach of this AGREEMENT.

Section 13
No Obligation by the Federal Government

A. WSDOT and the CONTRACTOR acknowledge and agree that regardless of any concurrence or approval by the Federal Government of the solicitation or award of this AGREEMENT, the Federal Government is not a party to this AGREEMENT unless it provides its express written consent. The Federal Government shall not be subject to any obligations or liabilities to the CONTRACTOR, subcontracts, lessee, or any other participant at any tier of the project (whether or not a PARTY to this AGREEMENT) pertaining to any matter resulting from this AGREEMENT.

B. No contract between the CONTRACTOR and its subcontractors, lessees, or any other participant at any tier of the project shall create any obligation or liability of WSDOT with regard to this AGREEMENT without WSDOT's specific written consent notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitation thereof. The CONTRACTOR hereby agrees to include this provision in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT.

Section 14
Personal Liability of Public Officers

No officer or employee of WSDOT shall be personally liable for any acts or failure to act in connection with this AGREEMENT, it being understood that in such matters they are acting solely as agents of WSDOT.

Section 15
Ethics

A. Code of Ethics. The CONTRACTOR agrees to maintain a written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts, subcontracts, leases, third party contracts, or other arrangements supported by federal assistance. The code or standards shall provide that the CONTRACTOR's officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, sub-recipient, or participant at any
tier of the Project, or agent thereof. The CONTRACTOR may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. These codes or standards shall prohibit the CONTRACTOR’s officers, employees, board members, or agents from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, such code or standards shall include penalties, sanctions, or other disciplinary actions for violations by the CONTRACTOR’s officers, employees, board members, or agents, or by subcontractors, lessees, sub-recipients, other participants, or their agents. The CONTRACTOR must fully comply with all the requirements and obligations of chapter 42.52 RCW that govern ethics in state and local governments.

1. Personal Conflict of Interest. The CONTRACTOR’s code or standards shall prohibit the CONTRACTOR’s employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by Federal Funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the PARTIES set forth below has a financial or other interest in the firm or entity selected for award:
   a. The employee, officer, board member, or agent;
   b. Any member of his or her immediate family;
   c. His or her partner; or
   d. An organization that employs, or is about to employ, any of the above.

2. Organizational Conflict of Interest. The CONTRACTOR’s code or standard of conduct must include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third party contract, subagreement, lease, or other arrangement at any tier may, without some restrictions on future activities, result in an unfair competitive advantage to the third party contractor or impair its objectivity in performing the work under this AGREEMENT.

B. Debarment and Suspension. The CONTRACTOR agrees to comply and assure the compliance of each sub-recipient, lessee, third party contractor, or other participant at any tier of the project, with the requirements of Executive Orders Numbers 12549 and 12689, “Debarment and Suspension,” 31 USC § 503, and USDOT regulations, “Non-procurement Suspension and Debarment,” 2 CFR Part 1200, which adopt and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) “Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement),” 2 CFR Part 180. The CONTRACTOR agrees to, and assure that its sub-recipient, lessee, third party contractor, and other participants at any tier of the Project review the “Federalwide Debarment System” at http://fedsys.gov/ before entering into any third subagreement, lease, third party contract, or other arrangement in connection with the Project.

C. Bonus or Commission. The CONTRACTOR agrees that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its application for federal financial assistance for this Project.

D. Relationships with Employees and Officers of USDOT. The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of USDOT, nor shall the CONTRACTOR rent or purchase any equipment or materials from any employee or officer of USDOT.

E. Employment of Former USDOT Employees. The CONTRACTOR hereby warrants that it shall not engage on a full, part-time, or other basis during the period of this AGREEMENT, any professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of USDOT without written consent of USDOT.

F. Restrictions on Lobbying. The CONTRACTOR agrees to:
   1. Comply with 31 USC § 1352(a) and will not use Federal assistance to pay the costs of influencing any officer or employee of a Federal agency, Member of Congress, officer of Congress or employee of a member of Congress, in connection with making or extending the Grant AGREEMENT or Cooperative Agreement; and
   2. Comply, and assure compliance by each subcontractor at any tier, each lessee at any tier and each sub-recipient at any tier, with applicable requirements of USDOT regulations, “New Restrictions on Lobbying,” 49 CFR Part 20, modified as necessary by 31 USC § 1352; and
   3. Comply with federal statutory provisions to the extent applicable prohibiting the use of Federal assistance Funds for activities designed to influence Congress or State legislature on legislation or appropriations, except through proper official channels.

G. Employee Political Activity. To the extent applicable, the CONTRACTOR agrees to comply with the provisions of the “Hatch Act,” 5 USC §§ 1501 through 1508, and §§ 7324–7326, and Office of Personnel Management regulations, “Political Activity of State or Local Officers or Employees,” 5 CFR Part 151. The “Hatch Act” limits the political activities of state and local agencies and their officers and employees, whose principal employment activities are financed in whole or in part with Federal Funds including a loan, grant, or cooperative agreement. Nevertheless, in accordance with 49 USC § 3307 (X2X(B)) and 23 USC § 142(g), the “Hatch Act” does not apply to a non-supervisory employee of a public transportation system (or of any other agency or entity performing related functions) receiving assistance pursuant to the SAFETEA-LU provisions and/or receiving FTA assistance to whom the “Hatch Act” does not otherwise apply.

H. False or Fraudulent Statements or Claims. The CONTRACTOR acknowledges and agrees that:
1. Civil Fraud: The Program Fraud Civil Remedies Act of 1986, as amended, 31 USC §§ 3801 et seq., and USDOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to all activities in connection with the Project. Accordingly, by executing this AGREEMENT, the CONTRACTOR certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project covered by this AGREEMENT. In addition to other penalties that may apply, the CONTRACTOR also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the CONTRACTOR to the extent the Federal Government deems appropriate.

2. Criminal Fraud: If the CONTRACTOR makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement in connection with this Project authorized under 49 USC Chapter 53 or any other federal law, the Federal Government reserves the right to impose on the CONTRACTOR the penalties of 49 USC § 3823(1), 18 USC § 1001 or other applicable Federal law to the extent the Federal Government deems appropriate.

I. Traffic in Persons. To the extent applicable, the CONTRACTOR agrees to comply with, and assures the compliance of each subrecipient with, the requirements of the subsection 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended, 22 USC § 7104(g), and the provisions of this Subsection 3.4 of FTA Master Agreement (15) dated October 1, 2008, which by this reference is incorporated herein as if fully set out in this AGREEMENT, and any amendments thereto, which is accessible at http://www.fta.dot.gov/document/15-master.pdf, consistent with OMB guidance, "Trafficking in Persons: Grants and Cooperative Agreements," 2 CFR Part 173.

Section 16
Compliance with Laws and Regulations

The CONTRACTOR agrees to abide by all applicable state and federal laws and regulations including but not limited to, those concerning employment, equal opportunity employment, nondiscrimination, experience, Project record keeping necessary to evidence compliance, with such federal and state laws and regulations, and retention of all such records. The CONTRACTOR will adhere to all the nondiscrimination provisions in chapter 49.60 RCW.

Except to the extent FTA determines otherwise in writing, the CONTRACTOR also agrees to follow all applicable provisions of FTA Circular 4722.1A, "Title VI and Title VI-Dependent Guidelines for Federal Transit Assistance Recipients," May 13, 2007 and any other applicable federal directives that may be issued.

C. Equal Employment Opportunity. The CONTRACTOR agrees to comply and assures compliance by each third party contractor, lessee or other participant at any tier of the Project, with all requirements of Title VII of the Civil Rights Act of 1964, as amended, 42 USC § 2000e, and 49 USC § 5332 and any implementing Federal regulations and any subsequent amendments thereto. Except to the extent FTA determines otherwise in writing, the CONTRACTOR also agrees to comply with any applicable Federal EEO directives that may be issued. Accordingly:

I. The CONTRACTOR agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age, or national origin. The CONTRACTOR agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their race, color, creed, sex, disability, age, or national origin.
