

TEMPORARY *GO* TRANSIT CONNECTOR

Beginning March 12, 2017, Pierce Transit will no longer operate Route 300. Pierce Transit and JBLM's GO Transit are negotiating the details of a new GO Transit Route 7 service to JBLM, from the Lakewood Transit Center to the McChord Commissary. Until the GO Route 7 is running, Pierce Transit will be providing an on-demand connector to transport individuals with a Department of Defense (DoD) ID to and from JBLM.

This GO 7 Connector will pick up at one of six stop locations:

- Lakewood Transit Center
- Lakewood Sounder Station
- Pacific Hwy & Bridgeport
- Bridgeport & San Francisco
- McChord Base Exchange
- McChord Commissary

The Connector will operate weekdays beginning Monday, March 13, 2017:

- 7:00 am to 9:30 am
- 3:00 pm to 6:30 pm

To schedule a pick-up, call 253-377-4380 and tell the agent which stop you are at. When the bus arrives, you must show your DoD ID to board. Please let the driver know which stop you wish to travel to. Buses are staged at the Lakewood Transit Center in the morning and at the McChord Commissary in the afternoon. If the bus is waiting, you may board with your military ID without calling. **There is no fare for this service.**

For questions, please call 253 -377-4380.

Thank you for riding the GO 7 Connector.
