PT TROLLEY

WHEN'S THE NEXT TROLLEY OR BUS?

Visit piercetransit.org from your smart phone or computer for real-time bus arrival information.

The Find Your Bus feature on piercetransit.org utilizes GPS tracking, interactive maps and color coded times that enable you to locate your stop and see up-to-the-minute arrival information.

From Mobile Device:

Select "Stops Near Me." If you're using a GPS-enabled device, PT's mobile site detects your location and shows the closest stops. Select the stop where you will catch the trolley. You will see the stop name and map. Click on the stop then click on "next bus" for real arrival time. To see entire route, click the map. Direction and departure time are shown at the top. Click arrow to change direction.

From Desktop:

Go to Getting Around > Bus > Routes > Route 15. On the route map, click on your trolley stop then click on "next bus" to see when the next trolley will arrive.

Third party applications such as OneBusAway or TransitApp are also useful tools for real-time trolley arrival information.

BRING YOUR BIKE

Trolleys have racks that hold bikes. If a bike rack is full, bikes may be brought on board unless it becomes too crowded. Cyclists are responsible for the security of their bikes, and must hold them throughout the ride.

ALL-ABOARD CANINE COMPANIONS!

CANINES WELCOME!

Well-behaved leashed dogs will be allowed to board at no charge. Our only expectation for owners is that they're ready to clean up just in case the "unexpected" happens during the ride.

Tacoma's many charms include museums, dining, breweries, shopping, theater, and a university—most with easy access from the trolley.

Come visit Point Defiance Park with the Northwest's only combined Zoo and Aquarium! Old-growth forest, saltwater beaches and spectacular views offer numerous possibilities for recreation.

The City of Ruston features the North Pearl Farmers Market, murals, and historic charm.

Point Ruston, a model of revitalization, features waterfront living, fine dining, entertainment and recreation.

Ruston Way offers parks, 2 miles of spectacular views and access to the waterfront. It's a popular place for walking, biking, jogging, scuba diving, fishing, picnicking, parasailing, and great dining.
