The Pierce Transit CTAG consists of nine volunteer representatives who reflect the demographic diversity of the Pierce Transit service area. CTAG members serve an important role as informed stakeholders providing feedback on Pierce Transit's proposed plans, policies and services, and acting as communication links between Pierce Transit and their various networks. The Pierce Transit CTAG meets monthly on the fourth Thursday of each month at 5:30 pm at Pierce Transit's Training Center in Lakewood. Meetings generally last about two hours; members must arrange their own transportation to and from the meetings.

Applicants must:

- be at least 16 years old
- reside, be employed, volunteer or be a full-time student within the Pierce Transit service area
- have at least one year of paid or volunteer service with a school-based, community-based or volunteer board/coalition,
- provide verbal and written feedback on staff presentations,
- contribute ideas and content to group discussions, and
- communicate effectively with a diverse group of community members with different points of view

All applicants must be available and present for at least 9 out of 12 meetings per year.

Applicants may not:

- have had prior exclusion from Pierce Transit services or facilities
- have a record of disruptive behavior at Pierce Transit public meetings
- be former employees not eligible for rehire

Additional Desired Qualifications:

- Applicants who frequently use public transit (more than 3 times per week), or who have working knowledge of public transportation services, are preferred.
