WHEN'S THE NEXT TROLLEY OR BUS?

Visit piercetransit.org from your smart phone or computer for real-time bus arrival information.

The **Find Your Bus** feature on piercetransit.org allows you to locate your stop and see up-to-the-minute arrival information.

From Mobile Device:

Select "Stops Near Me."

If you're using a GPS-enabled device, PT's mobile site detects your location and shows the closest stops. Select the stop where you will catch the trolley. You will see the stop name and map. Click on the stop then click on "next bus" for real arrival time. To see entire route, click the map.

From Desktop:

Go to **Getting Around > Bus > Routes > Route 15**. On the route map, click on your trolley stop then click on "next bus" to see when the next trolley will arrive.

Third party applications such as **OneBusAway** or **TransitApp** are also useful tools for real-time trolley arrival information.

BRING YOUR BIKE

Trolleys have racks that hold bikes. If a bike rack is full, bikes may be brought on board unless it becomes too crowded. Cyclists are responsible for securing their bikes, and must hold them when on board the trolley.

ANIMALS ON BOARD

All animals brought on board trolleys and buses must be kept in suitable containers, except for service animals.

Tacoma's many charms include museums, dining, breweries, shopping, theater, and a university—most with easy access from the trolley.

Come visit Point Defiance Park with the Northwest's only combined zoo and aquarium! Old-growth forest, saltwater beaches and spectacular views offer numerous possibilities for recreation.

Point Ruston, a model of revitalization, features waterfront living, fine dining, entertainment and recreation.

Ruston Way offers parks, 2 miles of scenic views and access to the waterfront. It's a popular place for walking, biking, jogging, scuba diving, fishing, picnicking, parasailing, and great dining.
