PRESENTATIONS

1. May 2019 Operator of the Month

Transit Operator Assistant Manager Trish Macomber honored Ajbdelhak Qabil for being selected Operator of the Month for May 2019. She detailed his accomplishments and spoke about his sharing of cultural experiences with employees.

Chair Woodards thanked Operator Qabil for his services.

2. Micro Grant Pilot

Planning Manager Tina Lee presented on the item, She noted the premise behind the creation of the pilot program is to generate input/ideas from the community that will increase bus ridership and/or improve access to bus service. The agency set aside \$10,000 in 2019 to offer small grants (typically up to \$1000 each) to community groups, agencies or organizations that submit beneficial ideas.

PUBLIC HEARING NO. 1

Proposed Service Changes in Northeast Tacoma Impacting Routes 903/63, Effective September 22, 2019

Planner Patrick Blakenship reviewed the current routes for the Route 603/Route 63 as it is currently operated and what is being proposed. He reviewed the impacts the change in the routes would cause. He reviewed the facts and justification of the change, noting that ridership has been low. He reviewed the current ridership of the route and he confirmed that the route change will not impact any SHUTTLE riders.

Upon inquiry, Executive Director Ryan Wheaton re-affirmed that the route change would not impact any paratransit riders.

The public hearing was opened at closed at 4:32 p.m. No public comments were provided.

The public hearing was closed at 4:33 p.m.

PUBLIC HEARING NO. 2

Proposed Transit Development Plan: 2019-2024

Principal Planner Darin Stavish presented on the 2019-2024 Transit Development Plan. He gave an overview of the content that is included in this document and noted that the Transit Development Plan requires annual approval from the commissioners.

He noted that the document was made public on June 4, 2019 and the public comment period will close July 5, 2019, with Board adoption scheduled for July 8, 2019.

The public hearing was opened and closed at 4:36 p.m. No comments were provided.

PUBLIC COMMENT

Chair Woodards provided directions for participating in public comment and the following individuals spoke:

- Walt Hurd, Tacoma, noted the 48 was 17 minutes coming to today's meeting. He reported that he heard complaints about the 202 being crowded and running late. People are still smoking at coach stops.
- Cinderella Helga, Lakewood, reported on the following: that the Route 4 bus sign on 96th Street is too low; Coach operators need to be able to reach somebody if there is an accident. The Washington State Fair is starting August 26. She talked about bus stops on the Route 63 going away with the proposed new service change.
- Tammy Cox, Lakewood, reported on the following: that the stroller area on the bus can't be utilized because patrons will not get up; some passengers are playing music loudly and people are eating on the bus; some people will not give up their seat in the wheelchair area and some passengers will not pay their fare. Some people can't use the stairs in downtown Tacoma and kids are throwing rocks at the bus signs.
- Julian Wheeler, Chair of Pierce County Advisory Committee on Accessible Communities. He gave an overview on the committee's role an purpose and offered its services to Pierce Transit for accessibility related projects and services. He invited members to attend their work meeting on June 11, 2019 from 9:00-10:00 a.m.

ACTION AGENDA

1. FS 2019-036, Amending the 2019 Operating Budget for the Operation of Sound Transit Routes 540/541 Pro-rated to the End of 2019 and Adding Seven (7) Positions

Executive Director of Service Delivery Mike Griffus presented on the item. He reported that Sound Transit has requested help from Pierce Transit to operate Sound Transit Routes 540/541 beginning September 21, 2019 He reviewed the 540/541 route and identified the seven positions needed to support this service, noting that all start-up and operational costs will be fully funded by Sound Transit.

Upon inquiry he clarified that operations of this route are expected to be short-term and traditionally this service was operated by King County Metro and Community Transit, but they are not able to operate this service currently. He noted that this service will increase the Sound Transit fleet by 14 buses and will require approximately 19 operators and will equate to an additional 37,000 service hours.

He responded to questions pertaining to the operating logistics/efficiency of the route.

Commissioners Dammeier and Keel <u>moved</u> and seconded to approve Resolution No. 2019-018, amending the 2019 Operating Budget in the amount of \$1,599,594 for the operation of Sound Transit Routes 540/541 and adding an additional seven (7) positions.

Motion carried, 8-0.

STAFF UPDATES/DISCUSSION

CEO's Report

Executive Director of Planning and Community Development Ryan Wheaton reported that WSDOT has identified the potential for four round-abouts to be installed along the proposed Pacific Avenue BRT line. He expressed that there is some concern about the portions of land that these proposed round-abouts will take as well as the additional costs they could add to the project budget. He clarified that Pierce Transit does not find the costs of the round-abouts to be feasible in relationship to the time savings realized to the route. Staff will be asking WSDOT to pay for these round-abouts or to off-set the costs in other ways.

Upon inquiry, he noted that staff hasn't begun discussions with WSDOT as of yet regarding the costs of the round-abouts, however, if Pierce Transit is not successful in reducing/off-setting costs, staff will need to revisit the design again.

INFORMATIONAL BOARD ITEMS

Chair Report

Chair Woodards thanked her fellow Board members for electing her Chair of the Board and for having confidence in her.

Sound Transit Update

Commissioner Dammeier reported on recent Sound Transit Board discussions that could potentially impact the areas of West Seattle and Ballard.

PSRC Transportation Policy Board Update ~ None.

Commissioners' Comments

Commissioner Farris thanked Executive Director of Service and Delivery Mike Griffus for riding/touring the Pierce Transit system with her. She expressed that she was impressed by how much the operators care about the passengers and their safety and acknowledged the support that supervisors give to employees. She encouraged others to tour the system.

She also thanked Executive Director of Planning and Community Development Ryan Wheaton for recently presenting at the city of Puyallup

EXECUTIVE SESSION

At 5:06 p.m. Chair Woodards recessed the meeting into Executive Session to evaluate the performance of a public employee pursuant to RCW 42.30.110 (g) for approximately 30 minutes. It is anticipated that the Board will take formal action after the meeting is reconvened into open session. [Commissioner Campbell left the meeting during executive session.]

At 5:38 p.m., the executive session was extended 5 minutes. [The extension was announced to attendees.]

RECONVENE/OTHER BUSINESS

At 5:43 p.m., the meeting was reconvened back into open session.

Commissioners Dammeier and Keel **moved** and seconded to adopt the CEO's 2018-2019 Composite Evaluation in accordance with the discussion of the CEO's performance which was held in Executive Session.

Motion carried, 7-0.

Commissioners Dammeier and Keel <u>moved</u> and seconded to increase the CEO's salary by 3.7% and to increase the contribution to her 401(a) account by 2 % to take into account that Pierce Transit does not contribute to Social Security for its employees, and direct counsel to amend the CEO's employment contract accordingly.

Motion carried, 7-0.

Total Expenditure \$ 0	and Emergency Warning System.

BACKGROUND:

The Emergency Warning System (EWS) is currently in the design phase. During the design it became apparent that the Security Enhancement project that is budgeted separately in 2019 needs to be integrated into the design of the EWS. The EWS consists of software and some infrastructure hardware, while the Security Enhancement Replacement consists primarily of hardware. The two systems need to be integrated in order to optimize functionality. Combining the two projects will allow for an integrated system that will better serve the needs of Pierce Transit customers and employees.

Following are the related projects and budgets:

Project Number	Project Name	Amount
0452	Emergency Warning System Replacement	\$363,993 (2019 budget)
0551	Security Enhancements Life Cycle Replacement	\$715,584

STAFF RECOMMENDATION:

Staff recommends combining the project budgets.

FACT SHEET PAGE 2

ALTERNATIVES:

Do not approve combining the project budgets into one budget. This is not recommended as it will be more difficult to manage and integrate the phasing for the separate component projects.

PROPOSED MOTION:

Move to: Authorize Pierce Transit staff to combine the Emergency Warning System Replacement Project and Security Enhancements Life Cycle Replacement into one project budget.

TITLE: Amending the 2019 Budget to Add One (1) Full Time Equivalent Position in Support of the Maintenance

Apprentice Program

DIVISION: Maintenance

BUDGET INFORMATION Project Name or Number: Maintenance Apprentice Is it Budgeted? ☐ Yes / ☒ No **Program ⊠**Operating Budget □Capital Budget **FUNDING SOURCE: EXPLANATION:** The cost of this position will be offset by savings in Local Amount \$ 78,219 the Maintenance Division 2019 budget. **Grant/Other Amounts Total Expenditure** \$ 78,219

BACKGROUND:

Efforts to hire qualified Journey Level Mechanics at Pierce Transit is becoming more challenging as the pool of qualified Mechanics applying for the position is dwindling. The number of Journey Level Mechanics who are eligible for retirement within the next five years is steadily growing. To proactively address the need for qualified personnel to meet future needs, staff seeks to reinvigorate the Maintenance Apprentice Program to identify motivated individuals who have a propensity for the Mechanic Trade. The goal is to train entry level individuals towards a State Certified Journey Level Mechanic career by partnering with Bates Community College to determine benefits of an internal development program that incorporates 8,000 hours of Mechanic training and leadership training.

The Program will be started with one (1) Full Time Equivalent position, which provides an opportunity for an internal hire to be able to compete for the position, and two (2) Limited Term Equivalent positions, which will be an opportunity for external hires from the local area to compete for the position. Operating costs are being incorporated into the 2020 Budget.

The refreshed Maintenance Apprentice Program was reviewed for informational purposes at the May 23, 2019 Executive Finance Committee. Members present were supportive of the program. Staff expressed that next steps towards implementing the program would include a Budget Amendment at the Board level to add one (1) FTE position to the 2019 Budget.

FACT SHEET PAGE 2

ALTERNATIVES:

The alternative would be to reject the position, and keep the Apprentice Program centered on Limited Term Equivalent positions. Pierce Transit would search and develop more robust methods of finding qualified people in support of future Mechanic needs.

PROPOSED MOTION:

Move to: Approve Resolution No. 2019-020 authorizing amending the 2019 Budget to add one (1) Full Time Equivalent Position in support of the revitalized Maintenance Apprentice Program.

BACKGROUND:

In 2015, Pierce Transit (PT) worked closely with the Northeast Tacoma Community Investment Team comprised of local representatives with a vested interest in guiding the design and success of tailored community services in the Northeast Tacoma area to develop new services for the community. Community outreach for the proposed demonstration revealed support for a two-part solution including rerouting of the Route 62 to deliver express service between Northeast Tacoma and Downtown Tacoma and the creation of a partnership with King County Metro (KCM) to provide feeder service to the new Pierce Transit express service to Downtown Tacoma. Ultimately the solution was the elimination of the then PT Route 62, the beginning of a KCM Route 903 extension into Northeast Tacoma as well as a new PT Route 63.

PT contracted with KCM to pay for the Tacoma extension of the KCM Route 903 via the *Northeast Tacoma Route 903 Transit Service Funding Agreement.* By 2018, data indicated that the KCM Route 903 extension was averaging eight weekday boardings, for a passenger per service hour of less than two passengers per service hour. On the PT Route 63, data also indicated that only 2% of passengers were coming from (or going to) the KCM Route 903 extension. The cost of the KCM Route 903 extension is approximately \$155,000 per year.

The proposed Route 63 improvements include extending service to the Center at Norpoint and adding three additional daily trips (two northbound in the afternoon and one southbound to Downtown Tacoma in the morning). These changes in transit services, if adopted, will be implemented on September 22, 2019. The proposed service change is cost neutral, with funding for the PT Route 63 extension and expansion coming directly from the expense of the funding agreement for the operation of the KCM Route 903 extension into Northeast Tacoma. This service change modifies the SHUTTLE paratransit boundary slightly, a review of existing SHUTTLE clients indicates that this change does not affect our existing clients.

PT staff is conducting stop-level outreach to educate ridership on the proposed service update. A public hearing was conducted at the Pierce Transit Board of Commissioners meeting on June 10, 2019 and additional public outreach was conducted with the Community Transportation Advisory Group (CTAG) at their May 23, 2019 meeting. Staff also presented to the Northeast Tacoma Neighborhood Council on June 19, 2019 to notify them of this proposed service change.

STAFF RECOMMENDATION:

Staff recommends the elimination of the KCM Route 903 extension into Northeast Tacoma. This route extension fails to achieve Pierce Transit's adopted performance standards and Planning staff believe the cost of this extension can be effectively reinvested in Northeast Tacoma in the adjacent Route 63.

ALTERNATIVES:

Alternatives include (1) Leave the current service in place, or (2) Terminate the KCM Route 903 extension without reinvesting those resources into other local Northeast Tacoma services.

PROPOSED MOTION:

Move to: 1) Approve Resolution No. 2019-021, authorizing the termination of the Funding Agreement with King County Metro (KCM) for the operation of KCM Route 903 Extension and subsequent termination of Route 903 into Northeast Tacoma Effective September 22, 2019; and 2) Authorizing the extension of Pierce Transit Route 63 to Northshore Pkwy NE and Norpoint Way NE and the addition of at least three (3) weekday trips, effective September 22, 2019.

RESOLUTION NO. 2019-021

A RESOLUTION of the Board of Commissioners of Pierce Transit Terminating the Funding Agreement with King County Metro (KCM) for KCM Route 903 Extension and Subsequent Termination of Route 903 into Northeast Tacoma Effective September 22, 2019

WHEREAS, by Resolution No. 16-072, approved on 11th day of July 2016, the Board of Commissioners of Pierce Transit authorized the funding agreement with KCM for the continued operation of the Route 903 service extension into Northeast Tacoma; and

WHEREAS, the Route 903 route extension fails to achieve adopted performance standards averaging eight weekday boardings or less than two passengers per service hour; and

WHEREAS, the cost of the KCM Route 903 extension is approximately \$155,000 per year; and

WHEREAS, Pierce Transit Planning staff propose the termination of the KCM Funding Agreement and subsequent termination of the KCM Route 903 extension into Northeast Tacoma; and

WHEREAS, staff also recommends reinvesting the cost of this service into Northeast Tacoma in the adjacent Route 63; and

WHEREAS, this service proposal has been circulated to customers and interested citizens through a number of methods; and

WHEREAS, the Pierce Transit Board of Commissioners conducted a Public Hearing on June 10, 2019, regarding the proposed service changes; and

WHEREAS, no public comments were received that expressed opposition or questions about the changes; and

WHEREAS, appropriate analysis and background documentation was conducted by staff.

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of Pierce Transit as follows:

Section 1. The Board of Commissioners authorizes the elimination of the King County Metro Route 903 Extension into Northeast Tacoma and the reinvestment of the saved resources back into extending Pierce Transit Route 63 to Northshore Pkwy NE and Norpoint Way NE and the addition of at least three (3) weekday trips, effective September 22, 2019.

TITLE: Adoption of the 2019-2024 Transit Development

Plan (TDP)

DIVISION: Planning & Community Development

RELATED ACTION: N/A

SUBMITTED BY: Darin L. Stavish, Principal Planner

RELATION TO STRATEGIC PLAN: Financial

RELATED ACTION. N/A

ATTACHMENTS: Proposed Resolution

Exhibit A, Proposed TDP Plan (provided electronically)

BUDGET INFORMATION: N/A

BACKGROUND:

The Transit Development Plan (TDP) outlines Pierce Transit's intermediate operating and capital plans for the period from 2019 through 2024. As such, it will ensure compliance with the Revised Code of Washington (RCW) chapter 35.58, which requires municipal corporations including public transportation benefit areas such as Pierce Transit to prepare and adopt a Six-Year Transit Development Plan for that calendar year and the ensuing five years. The TDP is based upon the 2018 budget adopted by the Board of Commissioners on December 10, 2018. This six-year year plan reports on Pierce Transit's annual operating budget, capital investments, and business strategies, and is submitted annually to the Washington State Department of Transportation, Puget Sound Regional Council (PSRC) Metropolitan Planning Organization, Pierce County, and each of the 13 jurisdictions within the Pierce County Public Transportation Benefit Area (PTBA).

This year's TDP highlights agency work accomplished in 2018; provides a general outline of services and facility changes anticipated for 2019-2024; and financial elements (both operating and capital) budgeted for 2019 and projected for 2020-2025. Once finalized, Pierce Transit will use the TDP to guide specific development of upcoming service designs, business strategies, and budget considerations.

The Board of Commissioners held a public hearing on the proposed 2019-2024 Transit Development Plan on June 10, 2019. The public review and comment period was open from June 4 through July 5, 2018.

STAFF RECOMMENDATION:

Approving the Pierce Transit 2019-2024 Transit Development Plan as presented in Exhibit A.

ALTERNATIVES:

Do not approve the proposed 2019-2024 Transit Development Plan. This is not recommended as the agency would not be in compliance with RCW 35.58.2795, which requires adoption of the annual plan.

PROPOSED MOTION:

Move to: Approve Resolution No. 2019-022, adopting the 2019-2024 Transit Development Plan as presented in Exhibit A.
