#8 RIDE THE BUS, SAVE THE EARTH

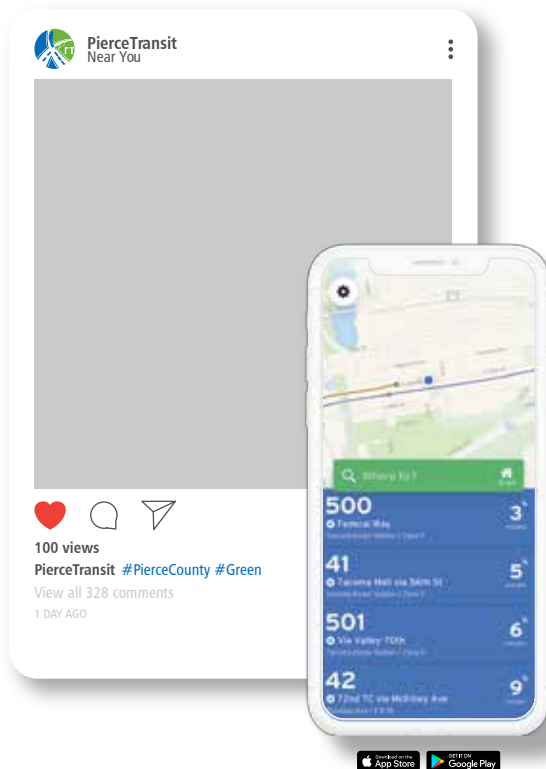

SHOW US YOU'RE GREEN!

Snap a selfie on your next bus ride and share your "green" story on social with [@PierceTransit](#). Or just share a unique story about how you live green!

To learn more about how your local transit agency is saving the world, one bus ride at a time, visit: PierceTransit.org/Sustainability

RIDING GREEN

Pierce Transit is moving away from printed routes and schedule books and instead offering customers greener, digital tools like Transit App. Transit app makes car-free commuting carefree with the following features:

- Plan a trip, including connections with other services
- Save your favorite destinations
- Use step-by-step navigation
- Check capacity alerts
- Get quick directions
- See nearby ETAs
- Track your ride
