

Pierce Transit Runner: your affordable, on-demand service!

Pierce Transit Runner is on-demand public transportation that allows you to book rides straight from your phone and travel to and from key destinations within designated service areas. We have created zones where this may be an ideal option to get to work, school, recreation and connect with other transit services. Plus it's affordable-Runner fares are the same as Pierce Transit's bus fares.

Pierce Transit Runner is currently operating in the Tideflats zone, the Ruston waterfront zone and at designated JBLM stops. Within the Tideflats and Ruston areas, we offer "point to point" service between any two addresses within these two zones. Coming soon, you'll also be able to book a trip in the Spanaway Runner zone.

Booking a trip is easy through the Goin app or from any phone, depending on the Runner zone. For all the details, visit [PierceTransit.org/runner](https://www.piercetransit.org/runner).

Service Change Rider Alert

EFFECTIVE MARCH 20, 2022

Inside you'll find news about minor changes to some Pierce Transit bus schedules, **effective March 20, 2022**. With this service change, a number of our bus stops will be permanently removed. This is a result of a year-long **Bus Stop Balancing project**. This project started with a thorough review of each Pierce Transit bus stop in our system along with feedback from the public. We conducted extensive outreach and received hundreds of comments. At the conclusion of the study, about ten percent of our bus stops were selected for removal. The goal of this project is to speed up trips, since bus stops will no longer be too close together. To view a map showing stops to be eliminated, visit [PierceTransit.org/busstops](https://www.piercetransit.org/busstops).

**Stay
Informed**

For current bus schedules, maps and information visit the Bus Routes section of our website at [PierceTransit.org](https://www.piercetransit.org). **To plan a trip in advance**, use our Trip Planner.

**Bus Schedules
PDF & Print**

[PierceTransit.org](https://www.piercetransit.org) offers current route schedules and now you can download them as a PDF. Print and take them with you.

Reminder: Bus Schedules Have Gone Digital

In 2021, Pierce Transit’s bus schedules went digital when we transitioned away from producing schedule books. The pandemic reinforced our need to become more resilient to essential rider needs by providing the most current information that is available. With this change, the agency saves resources by reducing its use of paper, and eliminating time spent developing and distributing books that became less accurate over the year.

For trip planning or real-time arrival information, try our online Trip Planner, use Transit app or check monitors at our transit centers. We’re here to help, so please call if you need assistance with any of these tools!

Real Time Bus Information		
TEXT Your Bus Stop Number to 253.533.7084	CALL 253.533.7084 and enter your Bus Stop Number	PLAN trips with Transit: PierceTransit.org/apps

Customers preferring to use paper schedules may print their own from our website while using a home computer. Just choose your route and click the “Download Route PDF” button. Or, request a free printed schedule or arrival information from Customer Service by calling 253.581.8000, option 1, then 1 again.
