

Pierce Transit SHUTTLE Riders and the new ORCA Card

Over the next few weeks, you will hear about the ORCA card, a new way to pay fares on fixed route buses. ORCA is a rechargeable “smart card” that pays and records trips electronically on six Puget Sound transit systems, plus Washington State Ferries.

ORCA **cannot** be used to pay SHUTTLE fares. If you use SHUTTLE, continue to pay your fare with cash, ticket or a 75¢ Puget Pass. This applies to customers who use SHUTTLE exclusively, and to those who use SHUTTLE, Pierce Transit buses and/or Metro Access.

If you use SHUTTLE and transfer to and from fixed route buses on Community Transit, Everett Transit, King County Metro, Kitsap Transit, or Sound Transit (including Sounder) the ORCA card may be right for you. To find out, call Pierce Transit Customer Services at 581-8000. To learn more about ORCA, go to www.orcacard.com.
