

Starting Sept. 1, 2022,

youth 18 and younger can ride free on all Pierce Transit services thanks to *Move Ahead Washington*, a statewide transportation funding package. We're very excited to welcome more youth to the freedom of transit!

Riders 13 and older are encouraged to do one of the following when boarding the bus:

Tap your Youth ORCA card. (The card will not expire if it's registered and youth have until June 30, 2023 to register their card online at myORCA.com.)

Show your current High School or Middle School Student ID

For the first few months of the program, youth who do not have one of these cards can still ride free.

Around the Puget Sound region, youth can also ride free on other transit agencies' services. In 2023 and beyond, youth will be directed to get a Free Youth Transit

Pass (ORCA card) that allows them to tap their card and ride free across the region. After a card is registered, it will continue to be valid and will automatically convert to an adult card on the cardholder's nineteenth birthday. Learn more at PierceTransit.org/freeyouthpass and myORCA.com.

Pierce Transit Runner: Now serving the Spanaway area!

Pierce Transit Runner is on-demand public transportation that allows you to book rides straight from your phone and travel to and from key destinations within designated service areas. We have created zones where this may be an ideal option to get to work, school, recreation and connect with other transit services. Plus it's affordable—Runner fares are the same as Pierce Transit's bus fares.

The Spanaway Runner is our newest Runner service. You may also request rides in the Tideflats zone, the Ruston waterfront zone and at designated JBLM stops (with military ID).

Booking a trip is easy through the Goin app or from any phone, depending on the Runner zone. For all the details, visit [PierceTransit.org/runner](https://www.piercetransit.org/runner).

Download the Goin mobile app to plan on-demand trips!
