EXPLANATION:

The total amount includes operating funds for a contract for up to three (3) years for janitorial services in Buildings 4 and 5 beginning July 1, 2022.

BACKGROUND:

On March 17, 2022 an RFP for Janitorial Services was advertised. Five proposals were received by the due date April 4, 2022. The evaluation process resulted in Cabbros Cleaning Service, LLC, being the successful proposer. The current janitorial contract will expire on June 30, 2022. This contract is subject to prevailing wage requirements in which contractors can submit for prevailing wage adjustments each twelve (12) month period. For this reason, in each category of service, 5% was added each year to accommodate for potential increases in prevailing wage rates. The first-year Basic Monthly Service in both buildings, excluding additional and optional services, is $171,400. The second contract year is estimated $179,970, the third contract year is estimated $188,968.

The contract has an option to use up to $10,000 per year for Allowance Items that are outside of the Basic Monthly Service, and the Allowance costs have been factored into the total expenditure amount. Allowance Items could include miscellaneous, optional, and emergency services, Additionally, it could include carpet cleaning and internal and external window washing. Allowance Items are issued to the contractor by mutual agreement of the work to be performed by an Amendment to the Contract. The pricing for these additional services has been established through Contractor’s proposal and are as follows: Optional service for carpet cleaning is estimated to require 80 hours of service. (40 hours per year in each building) The rate for this service is $25.00/hour. Interior window washing services at $2,650 per occurrence for buildings 4 and 5. Exterior window washing services at $2,900 for both buildings.

Authorize the Chief Executive Officer to enter into and execute Contract No. 1371 with Cabbros Cleaning Services, LLC, to provide janitorial services in buildings 4 and 5 for up to three (3) years in the amount of $540,338.

ALTERNATIVES:

The alternatives are to not approve this request which would leave Pierce Transit without contracted janitorial services; or to reject all proposals and undertake another RFP process. These alternatives are not recommended as Cabbros Cleaning Service, LLC, proposal meets Pierce Transit’s requirements and is competitively priced.

Move to: Authorize the Chief Executive Officer to enter into and execute Contract No. 1371 with Cabbros Cleaning, LLC, to provide janitorial services for Buildings 4 and 5 for up to three (3) years in the amount of $540,338.
