Try our Snow Circulator!

When the roads are too slick for buses to safely travel to and from Kimball Drive Park & Ride and Purdy Park & Ride, we will place Route 100 on snow detour. A chained van will be used to assist the regular bus with this route.

The regular van will operate regular route between TCC and Kimball Drive Park & Ride.

The chained van will operate a modified route between Purdy Park & Ride, we will place Route 100 on snow travel to and from Kimball Drive Park & Ride and Purdy Park & Ride.

When the roads are too slick for buses to safely travel, we will place Route 100 on snow travel to and from Kimball Drive Park & Ride and Purdy Park & Ride.

Tips for riding the bus in snow and ice:
• Use handrails when getting on and off the bus
• Signal so the driver has plenty of time to stop
