

Pierce Transit **ADOPT A STOP PROGRAM** Overview

Thank you for your interest in Pierce Transit's Adopt A Stop Program.

YOU CAN MAKE A DIFFERENCE

Pierce Transit has more than 3,000 bus stops and shelters throughout Pierce County. Each one is part of a community. By volunteering as an Adoptee for the **Adopt A Stop** program you can make a difference in yours.

Pierce Transit is partnering with individuals to ensure a pleasant transit environment by promoting civic pride. Volunteers report vandalism and remove trash regularly.

IT'S EASY TO GET STARTED

1. Choose a bus stop.
2. Contact us.
3. Get your supplies. We'd like to thank you in person for volunteering when we give you your supplies. You can come to Pierce Transit's headquarters in Lakewood or we'll meet you at another location. We'll go over the program and present your welcome packet, which includes safety supplies.
4. Report your activities once a month.

TO THANK YOU FOR VOLUNTEERING

After your bus stop is adopted, your name will appear on a sign which will be posted at that stop. You may also receive recognition in one or more of our publications. Recycling is encouraged. Any profit from the sale of recyclable items is yours to keep.
