Board of Commissioners Fact Sheet No.: 2021-012 Date: March 8, 2021

TITLE:	A Resolution Electing a Primary Transit
Represe	entative to the Puget Sound Regional Council
Transpo	ortation Policy Board for Calendar Year 2021

DIVISION: Executive SUBMITTED BY: Deanne Jacobson, Clerk of the Board

RELATED ACTION: N/A

ATTACHMENTS: Proposed Resolution

RELATION TO STRATEGIC PLAN: N/A

BUDGET INFORMATION: N/A

BACKGROUND:

The Board of Commissioners at their January 11, 2021 meeting elected Commissioner Don Anderson to serve as the primary representative and Commissioner John Palmer to serve as the alternate representative on the Puget Sound Regional Council Transportation Policy Board for calendar year 2021.

On February 9, 2021, Commissioner Don Anderson provided formal written notice to Pierce Transit staff of his resignation from the Pierce Transit Board, effective February 14, 2021. Due to Commissioner Anderson's resignation, it is appropriate for the Pierce Transit Board to elect a new primary representative to the Puget Sound Regional Council Transportation Policy Board for the remainder of calendar year 2021.

As information, the Transportation Policy Board advises the Executive Board of the Puget Sound Regional Council on transportation issues pursuant to federal and state legislation and appropriate related concerns of jurisdictions, citizens, and other interests. Transit-related work of the TPB includes, but is not limited to:

- Updating the metropolitan transportation plan, including transit elements (Transportation 2040 and successor documents),
- Recommending Executive Board action on federal transportation funds;
- Taking action on the findings of conformance to new Sound Transit System Plan before a public vote, as required by state law;
- Reviewing and commenting on annual transit coordination reports and other transit-related documents that are presented to the TPB; and
- Discussing and making recommendations on emerging transportation issues.

The PSRC Transportation Policy Board meets the second Thursday of each month from 9:30 – 11:30 a.m. at the Puget Sound Regional Council office located at 1011 Western Ave., 5th Floor, Seattle. The next meeting is Thursday, March 11, 2021.

FACT SHEET PAGE 2

Nomination and Election Process

- 1. Chair opens the floor to nominations to members who currently do not serve on the PSRC Transportation Policy Board for their respective city.
- 2. After all nominations have been made, the Chair seeks a motion and second to close nominations.
- 3. The Chair should call for the vote on each nominee in the order in which they were nominated.
- 4. The first nominee to receive a majority vote is elected.

Pierce Transit Bus Stop Balancing Project

Mike Griffus

Bus Stop Balancing Project

- What is bus stop balancing?
 - A comprehensive look at all bus stop locations in the system and balance them with the goals of:
 - Increasing safety
 - Speeding up trip times for bus rides
 - Boosting on-time performance
 - Increasing ridership
 - Potentially adding more service hours with the cost savings
- Why balance bus stops?
 - Primary reason people don't ride transit getting to their destination takes too long
 - The more stops a bus has to make, the more time it has to spend:
 - Pulling in and out of traffic
 - Dropping off and picking up passengers
 - Waiting while passengers pay their fare and get seated
 - Getting caught at red lights

How to Balance Bus Stops

- Review bus stops based on the following guidelines and criteria
 - Guidelines suggest bus stops should be no closer than:
 - 1/8 mile in dense urban areas
 - 1/4 mile in other areas (about four blocks, or a 5- to 7-minute walk from stop to stop)
 - Criteria reviewed at each stop:
 - Safety, including pedestrian facilities, lighting and security, visibility, intersection traffic control, topography
 - Accessibility for riders with mobility challenges
 - Equity
 - Proximity to other stops
 - Ridership at that stop relative to adjacent stops
 - Key transfer points and major destinations nearby
 - Investments in each stop (shelter, concrete pads, lighting, etc.) and cost of repairs

General News & Announcements Celebrating 40 Years of Service

Dear Community Member,

On Feb. 1, 2021, a <u>new federal government requirement</u> went into effect that requires the public to **wear a mask that fully covers their mouth and nose** while boarding and riding transit, and at transit facilities, including transit centers. Washington state already has a similar order in place, and Pierce Transit has been communicating with customers about the requirement to wear masks for many months now. We have also been providing masks on all our buses and have held mask-distribution events at transit centers.

Pierce Transit is actively monitoring mask use on our buses and at transit centers, reminding customers that wearing a mask is now federal law, and engaging public safety assistance when necessary.

Learn more about the federal mandate at PierceTransit.org.

Chair Woodards called the Special Study Session meeting to order at 3:03 p.m.

ROLL CALL

Commissioners present: Don Anderson, City of Lakewood Mayor Chris Beale, City of Tacoma Councilmember Marty Campbell, Vice Chair of the Board, Pierce County Councilmember Kent Keel, City of University Councilmember (*representing University Place and Fircrest*) Ryan Mello, Pierce County Councilmember John Palmer, Deputy Mayor for City of Puyallup (representing Puyallup and Edgewood) Kim Roscoe, Mayor of Fife (*representing Fife/Milton/ Pacific/Auburn/Gig Harbor/ Ruston/Steilacoom*) Kristina Walker, City of Tacoma Councilmember Victoria Woodards, Chair of the Board, Mayor of the City of Tacoma

Sue Dreier, Chief Executive Officer Deanne Jacobson, Clerk of the Board Aaron Millstein, General Counsel from K&L Gates Brittany Carbullido, Assistant to the CEO/Deputy Clerk of the Board

CEO COMMENTS

CEO Dreier announced that the Executive Director of Finance Brett Freshwaters will walk the Board through the proposed 2021 Budget this evening. She noted that the Board's action to postpone the adoption of the budget into 2021 has provided staff with valuable sales tax and economic trending information.

Ms. Dreier reported that the 2021 Budget and Six-Year Plan is balanced and sustainable with the current sales tax collection rate. The planned operating hours will remain at the 95 percent pre-COVID levels of services with non-productive trips/routes being eliminated.

PRESENTATIONS/DISCUSSION

1. Proposed 2021 Budget

Executive Director of Finance Brett Freshwaters provided a PowerPoint presentation inclusive of the agency's strategic initiatives for each division and noting that the budget plan includes an emphasis on diversity, equity and inclusion, employee retention and development, internal and external customer service, and data driven decisions that

achieve financial sustainability. The presentation also covered the following elements of the 2021 Budget:

- Reviewed operating revenues collected and an overview of where the revenue was spent;
- Reviewed service hours per mode of transportation;
- Reviewed demographics of the agency's ridership that was collected from a survey conducted in Fall 2017;
- Provided an overview of the Agency's workforce by division;
- Reviewed the infrastructure that the agency uses to operate the transit agency and service, inclusive of technology hardware and software, transit facilities and buildings, and vehicle inventory;
- He explained how capital projects carry forward to future budget years and do not need approval by the Board each year thereafter;
- Reviewed the capital projects by category/type;
- Reviewed the major capital projects as estimated costs as follows:
 - Bus Rapid Transit \$33.4 million
 - Maintenance & Operations Base Improvements (MOBI) \$41.1 million
 - ▶ ngORCA \$5.7 million
 - Computer Aided Dispatch/Automated Vehicle Location System, \$10.8 million
 - Bus Replacement of \$33.1 million in 2019, 2020, and 2021 which includes 6 electric buses and 36 Compressed Natural Gas (CNG) buses
- Reviewed the Six-Year Financial Plan years 2021-2026 assumptions for sales tax projections, wage adjustments, benefits and fixed route service hours, discussing at length the effects of COVID-19 effects on sales tax projections.
- Provided a budget comparison for 2021 vs. 2020 operating levels.
- Pierce Transit is expecting to receive additional funding for COVID-19 and those funds are not factored into the proposed budget.
- Reviewed operating expenditures

Mr. Freshwaters concluded the budget presentation stating that the proposed budget is balanced and sustainable over the next six years and noted that next steps include a public hearing scheduled for the 4 p.m. board meeting later today, followed by a review by the Community Transportation Advisory Group scheduled for their Feb. 25 meeting. He also detailed the steps the agency took to involve the public in the budget process.

Staff responded to various questions from commissioners pertaining to the budget, agency programs, service hours and data metrics.

2. Discussion Pertaining to Selecting or Appointing a Committee to Oversee the Recruitment and Transition Process for Hiring a New Chief Executive Officer

Chair Woodards announced that due to the recent notice of resignation submitted by CEO Sue Dreier, the agency needs to begin the recruitment process to hire a new Chief Executive Officer. She announced that that the agency needs to secure a recruitment firm and Pierce Transit has already issued a request for proposals to solicit proposals from recruitment firms. She noted that Commissioner Campbell, along with members from staff, will serve on the committee to select a recruitment firm.

Chair Woodards inquired if there were any commissioners interested in serving on the CEO recruitment/transition committee and noted that in order to have a good mix of individuals on this committee she would also like a member from CTAG and/or Sound Transit, and/or the business community in addition to herself and Commissioners Keel, Campbell, Walker and Mello.

Upon inquiry, General Counsel Aaron Millstein provided guidance with regards to the committee structure.

EXECUTIVE SESSION

There was no executive session held.

ADJOURNMENT

Commissioners Campbell and Walker moved and seconded to adjourn the meeting at 4:06 p.m.

Motion <u>carried</u>, 9-0.

Sue Dreier, Chief Executive Officer Deanne Jacobson, Clerk of the Board Aaron Millstein, General Counsel from K&L Gates Brittany Carbullido, Assistant to the CEO/Deputy Clerk of the Board

OPENING REMARKS AND HOUSEKEEPING ITEMS

Chair Woodards welcomed Board Members, staff, and citizens to the virtual meeting and provided instructions for participation to attendees.

SPECIAL BUSINESS

1. Welcoming New Commissioners

Chair Woodards welcomed to the Pierce Transit Board Commissioner Ryan Mello from Pierce County Council and Chris Beale from Tacoma City Council and commended both members for their passion and interest in transit.

2. Recognizing Commissioners Bruce Dammeier and Conor McCarthy for their Service on the Pierce Transit Board

On behalf of the Board, Chair Woodards thanked Commissioners Bruce Dammeier and Conor McCarthy for their service on the Board and contributing to thoughtful discussions about transit and mobility matters in the community.

3. Chair's Appointments to Executive Finance Committee

Chair Woodards appointed Ryan Mello and Chris Beale to the Executive Finance Committee, replacing vacancies that were created by changes to the membership of the Board.

PUBLIC COMMENT

Chair Woodards provided participation instructions to the public and opened public comment. The following individual(s) spoke:

- Julian Wheeler, Chair of Pierce County Accessible Communities Advisory Committee, invited members to attend the committee's next meeting of March 9 from 9 a.m. 11:00 a.m.
- Isaac Tate, President of the Amalgamated Transit Union (ATU) No. 758, spoke against Item No. 3 on the February 8 Action Agenda relating to bus or van transportation assistance to law enforcement during civil unrest. Mr. Tate expressed great concern that the proposed policy would put the agency's operators in harm's way. He proposed an alternative solution that members of law enforcement undergo training to operate buses/coaches using Pierce Transit reserve fleet of vehicles and ATU training staff to train and certify members of law enforcement.

PUBLIC HEARING

Proposed 2021 Budget

Executive Director of Finance provided a short overview of the proposed 2021 Budget.

Chair Woodards provided instructions to attendees for speaking during the public hearing and opened the public hearing at 4:48 p.m.

No comments from the public were provided.

Chair Woodards closed the public hearing at 4:48 p.m.

ACTION AGENDA

1. FS 2021-009, Adoption of Annual Budget for Fiscal Year 2021

Executive Director of Finance Brett Freshwaters noted he has provided two presentations on the proposed 2021 Budget today and would not be providing another formal presentation but is happy to answer any questions.

Commissioners Campbell and Keel <u>moved</u> and seconded to approve Resolution No. 2021-003 adopting the Annual Budget for Fiscal Year 2021 with attendant wage adjustments and approval of 960 positions as presented therein.

Motion <u>carried</u>, 9-0.

2. FS 2021-010, Authorization to Execute Change Order No. 4 to Contract No.1087 with Absher Construction Company to Increase the Contract Authority Amount for the Construction of the New Fuel and Wash Facility and Related Improvements for Guaranteed Maximum Price (GMP) Package 2a Executive Director of Finance Brett Freshwaters reviewed the construction work that has been conducted on the bus lot to date and provided an overview of work needed to complete future phases. He reviewed costs and noted that staff is currently negotiating with Sound Transit staff on Sound Transit's financial contribution to the project. Sound Transit's contribution is not currently included as a funding source to the project as an agreement has not yet been reached. An agreement is anticipated by mid-year 2021. He announced that Sr. Project Manager Doug Dickinson is also present today to answer any questions.

Mr. Freshwaters responded to questions relating to the utilization rate of minority owned businesses for this project, noting that Absher Construction has a robust Disadvantage Business Enterprise (DBE) program and he believes the utilization rate of DBE businesses for the first phase of work is expected to be around 36.5 percent.

Commissioner Anderson noted he had the opportunity to use General Contracting/Construction Management (GC/CM) contracting method and is impressed by the results. He noted he is also impressed with Absher's ability to perform.

Commissioners Campbell and Keel **moved** and seconded to authorize the execution of Change Order 4 to Contract No. 1087 with Absher Construction to increase the contract authority amount total for Base Master Plan GMP package 2 and 2a to \$30,169,037 plus a contingency of \$2,045,000 for a total authorized not to exceed amount of \$32,214,037.

Motion <u>carried</u>, 9-0.

3. FS 2021-011, Consideration to Implement a New Policy for Pierce Transit to Provide Bus or Van Transportation Assistance to Law Enforcement Agencies or the Emergency Management Department within the Pierce Transit Boundary Under Emergency Situations and When Deemed Necessary by the Requesting Agency

Chair Woodards noted that Commissioner Anderson submitted the proposed policy that is in the packet and that CEO Dreier has provided additional information in the fact sheet.

Commissioner Anderson introduced the proposed item and provided an overview of the events that occurred on Sunday, January 24, 2021, in Tacoma relating to civil unrest that occurred from the aftermath of the street racing incident, which resulted in a request for a Pierce Transit bus and operator to transport law enforcement officers to a location outside of the "hot zone." The request was denied by Pierce Transit management on the basis that there was no policy to support such assistance.

Commissioner Anderson noted he has drafted a resolution that sets the policy that Pierce Transit will assist other public entities, particularly emergency management and police, with the assurance that Pierce Transit employees will not be placed in harm's way, and also making it a policy that in no circumstance will Pierce Transit voluntarily provide vehicles/operators to be used for transporting people who have been arrested or detained. He noted that it is important that Pierce Transit be transparent about what it will or will not do and so he believes a Board-approved policy would be helpful. Commissioners Anderson and Keel <u>moved</u> and seconded to approve Resolution No. 2021-004, directing the Chief Executive Officer to implement a policy for Pierce Transit to provide bus or van transportation assistance to Law Enforcement agencies or the Emergency Management Department within the Pierce Transit boundary under emergency situations and when deemed necessary by the requesting agency.

Chair Woodards commented that she agrees that Pierce Transit needs to properly memorialize its commitment in a Board-approved policy. She reported that Pierce Transit does have a relationship and long history of assisting the Department of Emergency Management and Law Enforcement in the region and called on CEO Dreier to discuss/provide examples of past services provided by Pierce Transit.

CEO Dreier reported that when requested, Pierce Transit typically assists the Pierce County Sheriff's Department on various matters, citing examples such as the DuPont Train derailment incident and various evacuations. CEO Dreier also noted that Pierce Transit is a member of and has an active role in the Pierce County Emergency Management Plan in that it dispatches buses to emergencies when requested.

Chair Woodards noted that Pierce Transit should support law enforcement, however, she has deep concerns about the safety of Pierce Transit operators in certain situations, as shared by the ATU President Isaac Tate earlier, and she offered the following substitution resolution as follows:

Substitute Resolution/Motion:

Chair Woodards and Commissioner Campbell **moved** and seconded to direct Pierce Transit staff to consider an alternative of providing a retired bus to the Pierce County Department of Emergency Management (DEM), or a public safety partner designee, that could be used by DEM or any other local jurisdiction for purposes of emergency transportation. Staff will determine whether Pierce Transit can gift a bus to DEM, or its designee, and provide training to up to five employees of DEM, or its designee. Staff will then present a proposed approach at the next board meeting for consideration. [Clarification: After a lengthy discussion, the Chair, with consensus from all commissioners, further clarified the motion to include that the Board is directing staff to bring back any formal agreement relating to mutual aid services for full Board review and approval, in addition to a formal policy that memorializes how Pierce Transit will work/respond/support the various types of emergency requests it receives.]

Chair Woodards noted that she believes that this action helps support our law enforcement agencies by giving them a bus to use when they need it. Details relating to training and storage of the bus, etc., can be worked out in the agreement. She noted this alternative would ensure that Pierce Transit operators are not put in harm's way and that potential liability exposure reside with the appropriate agency responding.

Upon inquiry from Commissioner Anderson, General Counsel Aaron Millstein provided parliamentary advice with regards to the substitute motion.

Procedural Matter to Consider Allowing a Substitute Resolution/Motion:

Chair Woodards and Commissioner Campbell **moved** and seconded to allow the procedural matter to consider a substitute resolution/motion to be introduced.

Commissioner Roscoe stated she feels it is too soon and the agency is too close to the incident to make any policy decisions and that further analysis and expertise from the Department of Emergency Management and/or police agencies would be helpful.

A lengthy discussion ensued with various commissioners speaking on the topic with suggestions coming forward that it would be helpful for the policy to give direction on how the agency will respond to various emergency matters/situations such as a natural disaster versus an active law enforcement activity.

With Commissioner Anderson calling for the question, Chair Woodards clarified the commissioners are voting to substitute the resolution as presented by Chair Woodards. Mayor Woodards also clarified that if the substitute motion passes, she is directing staff to bring back any formal agreement relating to mutual aid services for full Board review and approval in addition to a formal policy that memorializes how Pierce Transit will work/respond/support the various types of emergency requests it receives.

Various commissioners noted their support for returning this item to staff to develop a mutual aid agreement and a policy that memorializes how Pierce Transit will respond to various emergency requests.

Vote on Procedural Matter to Allow a Substitute Resolution/Motion:

The motion <u>carried</u>, 7-2, (*Commissioners Anderson and Roscoe dissenting*) to allow the procedural matter to consider a substitute resolution/motion to be introduced.

Vote on Substitute Resolution/Motion:

The substitute resolution/motion carried unanimously, 9-0.

4. Forming or Assigning a Committee to Assist with the Recruitment and Transition Process of a New Chief Executive Officer with Final Hiring Decision to be Made by the Full Board.

Chair Woodards noted that this topic was discussed during the study session earlier today.

Chair Woodards appointed herself, Commissioners Keel, Campbell, and Ryan Mello, a member from the Community Transportation Advisory Group (CTAG), and a community member or representative from Sound Transit to serve on the Recruitment and Transition Committee, with Commissioner Kristina Walker to serve as an alternate member in the event that one of the commissioners is unable to fulfill their commitment on the committee.

Commissioners Keel and Campbell **moved** and seconded to approve the appointments made by Chair Woodards as stated above.

STAFF UPDATES/DISCUSSIONS

1. CEO Report

Sue Dreier reported on the following matters:

- Announced that Pierce Transit for fiscal year 2019 was awarded the GFOA Certificate of Achievement for Excellence in Financial Reporting. This is the 36th year that Pierce Transit has received this award.
- She reported on the recent executive order by the Biden Administration requiring the wearing of masks on transit and at transit facilities, noting that Washington State has been well ahead of the curve as Pierce Transit has been requiring masks for some time and provides masks for those customers who don't have them. She noted that Pierce Transit will work closely with law enforcement agencies to address instances of non-compliance.
- She reported there are currently 33 reported COVID-19 cases at Pierce Transit and provided a breakdown of the cases by division.
- The CEO recruitment committee members will be receiving communications from Monnett Smith, who is the assistant for Amy Cleveland. The agency is in the process of evaluating recruitment firms and expects to be done with this process by the end of the week.
- CEO Dreier announced that there is a closed session meeting this afternoon and the meeting link has been provided.

BACKGROUND:

TITLE.

South Sound 911 grants access to core programs needed to support police services for Pierce Transit. This includes access to the Records Management System (RMS) which gives the deputies the ability to write reports through the Enforcer Program. It also provides access to WEBRMS, to the State and National criminal history data base, and to the Warrant Service Program.

The proposed contract is for a term duration of five years and the estimated cost is based on the number of Pierce County Sheriff Department deputies assigned to Pierce Transit and includes a 10 percent contingency in case there are staffing increases.

STAFF RECOMMENDATION:

Staff recommends the Board authorize execution of the Service Agreement to South Sound 911 for Law Enforcement Support Services.

FACT SHEET PAGE 2

ALTERNATIVES:

There is no alternative because the Pierce County Sheriff Department submits all reports and investigative documents to South Sound 911, therefore, there is no other records agency to utilize for these services.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute a five (5) year Service Agreement (Contract No. 1163) with South Sound 911 for Law Enforcement Support Services in substantially the same form as Exhibit A in an amount not to exceed \$411,484.04.

SOUTH SOUND 911 LAW ENFORCEMENT SUPPORT SERVICES SERVICE AGREEMENT No. 1163

THIS AGREEMENT is entered between SOUTH SOUND 911 PUBLIC AUTHORITY (hereinafter "SS911") and the PIERCE COUNTY PUBLIC TRANSPORTATION BENEFIT AREA CORPORATION (PIERCE TRANSIT) (hereinafter "Law Enforcement Agency") for Support Services (defined below).

WHEREAS, SS911 is an independent legal public entity created pursuant to RCW 35.21 and chartered by the City of Tacoma to provide Support Services; and

WHEREAS, Law Enforcement Agency is in need of Support Services; and

WHEREAS, the Parties desire to enter into this Agreement for the purpose of establishing the terms and conditions under which SS911 will provide Support Services to Law Enforcement Agency;

NOW, THEREFORE the SS911 and Law Enforcement Agency agree as follows:

- 1. <u>Effective Date and Duration</u>. This Agreement shall be effective <u>January 1, 2021</u> and shall expire on December 31, 2026. This Agreement may be extended for an additional period by mutual written consent of both parties hereto.
- 2. <u>Support Services</u>. SS911 shall provide support services, which may include law enforcement records, fingerprinting, and other services as selected by the Law Enforcement Agency ("Support Services").
- 3. <u>Law Enforcement Agency Responsibilities</u>. During the duration of this Agreement, Law Enforcement Agency shall:
 - A. Comply with the standard operating procedures for Support Services as may be established from time to time by SS911 with input from Law Enforcement Agency.
 - B. Comply with applicable Criminal Justice Information Services (CJIS) and State ACCESS policies and requirements related to SS911 Support Services.
 - C. Authorize SS911 to provide Support Services within Law Enforcement Agency's jurisdiction and, where applicable, delegate its authority to SS911 to provide such Support Services.
 - D. Notify SS911 in writing of any changes to the Support Services being sought for the following year at least three (3) months prior to SS911 Governing Board's approval of the Support Services fee schedule, which occurs in September.
- 4. <u>Fees for Support Services</u>.. Law Enforcement Agency agrees to pay at least quarterly for the Support Services based on the annual fee schedule approved by the SS911 Governing

Board. SS911 shall give Law Enforcement Agency at least three (3) months advance notice of any change to its fee schedule for the following year. Law Enforcement Agency shall be notified of the fee schedule by electronic mail sent no later than September 30 and it will be deemed received if email transmission was successful. It is the responsibility of the Law Enforcement Agency to notify SS911 if the fee schedule was not received.

- 5. <u>Records</u>. SS911 shall maintain all records, reports, and documents created and held under this Agreement and the services provided hereunder in accordance with RCW 42.56 (Public Records Act) and RCW 40.14 (Preservation and Destruction of Public Records) and all other applicable federal and state regulations and SS911 policies. Upon receiving a request for a record of Law Enforcement Agency, SS911 may notify the Law Enforcement Agency regarding the request at least fifteen (15) days prior to its release in order to allow Law Enforcement Agency the opportunity to seek a court order preventing release of the record. In the event the Law Enforcement Agency requests the record be withheld or redacted, the Law Enforcement Agency shall be liable for any and all claims, costs, or attorney's fees incurred by SS911 in complying with the Law Enforcement Agency's request.
- 6. <u>Indemnification</u>. Law Enforcement Agency agrees to defend, indemnify and hold harmless SS911, its officers, agents and employees from and against any and all loss, damage, injury, liability suits and proceedings however caused, arising directly from, or indirectly out of, any action or conduct of the Law Enforcement Agency in the exercise or enjoyment of this Agreement.

SS911 agrees to defend, indemnify and hold harmless Law Enforcement Agency, its officers, agents and employees from and against any and all loss, damage, injury, liability suits and proceedings however caused, arising directly from, or indirectly out of, any action or conduct of SS911 in the exercise or enjoyment of this Agreement.

- 7. <u>Termination</u>. This Agreement may be terminated by either party submitting written notice to the other party by June 1 of any year, with termination to be effective on December 31 of that year. Termination of service by SS911 may occur immediately if Law Enforcement Agency fails to pay for Support Services as provided in this Agreement. Either party may terminate this Agreement immediately if the other party violates the terms and conditions of this Agreement and fails to cure that breach within thirty (30) days of receipt of written notice of the breach, or a longer period if agreed to by the parties in writing.
- 8. <u>Notices</u>. Except for routine operational communications, which may be delivered personally or transmitted by electronic mail, all notices required hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to the parties at the following addresses:

- 9. <u>Miscellaneous Provisions.</u>
 - A. <u>Governing Law and Venue</u>. Washington State law shall govern the interpretation of this Agreement. Pierce County shall be the venue of any mediation, arbitration or litigation arising out of this Agreement.
 - B. <u>Assignment</u>. The Law Enforcement Agency shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Agreement or for any of the compensation due hereunder without the prior written consent of SS911.
 - C. <u>No Third Party Beneficiaries</u>. This Agreement shall be for the sole benefit of the parties hereto, and nothing contained herein shall create a contractual relationship with, or create a cause of action in favor of, a third party against either party hereto.
 - D. <u>Waiver</u>. A waiver or failure by either party to enforce any provision of this Agreement shall not be construed as a continuing waiver of such provision, nor shall the same constitute a waiver of any other provision of this Agreement.
 - E. <u>Severability and Survival</u>. If any term, condition or provision of this Agreement is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Agreement, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Agreement, shall survive termination of this Agreement.
 - F. <u>Entire Agreement</u>. This Agreement contains the entire agreement between the parties as to the services to be rendered hereunder. All previous and contemporaneous agreements, representations or promises and conditions relating to the subject matter of this Agreement are superseded hereby.
 - G. <u>Modification</u>. No modification or amendment of this Agreement shall be effective unless set forth in writing and signed by both parties.
- H. <u>Acknowledgement</u>. SS911 represents that it is organized pursuant to Substitute Ordinance No. 28595 of the City of Tacoma, Washington adopted on July 9, 2019, and RCW 35.21.730 through 35.21.755, each as existing or as hereinafter amended. All liabilities incurred by SS911 shall be satisfied exclusively from the assets and properties of SS911 and no creditor or other person shall have any right of action against the City of Tacoma or any other public or private entity or agency on account of any debts, obligations, or liabilities of SS911 unless explicitly agreed to in writing by such public or private entity or agency. RCW 35.21.750 provides as follows: "[A]ll liabilities incurred by such public corporation, commission, or authority shall be satisfied exclusively from the assets and properties of such public corporation, commission, or authority and no creditor or

other person shall have any right of action against the city, town, or county creating such corporation, commission, or authority on account of any debts, obligations or liabilities of such public corporation, commission, or authority."

IN WITNESS WHEREOF the parties hereto have accepted and executed this Agreement as of the last day and year written below.

Total Expenditure	\$ 250,066	each successive year for 5 years. Pierce Transit is credited with the full amount of expenditure from the CCN each year during budget reconciliation.

BACKGROUND:

The Pierce Transit Board of Commissioners approved Resolution No. 2007-044 on July 9, 2007, authorizing a multiple year lease with King County for the Radio Site located at 206 112th Street, Seattle, Washington, which is also referred to as the "Top Hat" location.

Since 2007 Pierce Transit has leased from King County approximately 200 square feet of space at the Top Hat location to operate and maintain its existing communication facility and associated equipment, as well as maintain the right to access the property to maintain radio equipment. This radio site is an integral part of the communications infrastructure in the region as the site supports emergency radio communications in the region and provides communication support to the Sound Transit routes operating north of Pierce County.

The proposed Communications and Site Lease and Access Agreement is for five years, commencing upon the date of execution at a rate of \$45,255.60/year with a 5% increase each successive year for a total not to exceed amount of \$250,065.75.

FACT SHEET PAGE 2

STAFF RECOMMENDATION:

Staff recommends renewing the lease agreement in order to continue with the maintenance and operations of the radio equipment and infrastructure.

ALTERNATIVES:

Alternatives would be to not enter into the lease and access agreement. By choosing this alternative, we would run the risk of losing emergency communications and radio coverage in the greater Seattle area and surrounding areas.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute a five-year Communications Site Lease and Access Agreement with King County for the Radio Site Located at 206 112th Street, Seattle, Washington, referred to as the "Top Hat" location for a total not to exceed amount of \$250,066.00

BACKGROUND:

In September 2019, a business case was approved by the Project Oversight Group (POG) to implement a Virtual Reality (VR) Training System at Pierce Transit with an expected budget of \$372,000. A request for proposals (RFP) was advertised from December 5, 2019 with all proposals due by December 30, 2019. The RFP resulted in 2 competitive proposals and 1 vendor was selected: MXTReality. A project charter was approved by Sue Dreier, the Chief Executive Officer, on February 7, 2020.

Because of the pandemic, the project and contracting process were paused for the remainder of 2020. On January 26, 2021, the Chief Executive Officer, under her authority, executed Contract No. 86-19 with MyPad3D, dba MXTReality, in the amount of \$200,000 with a contract term expiration date of March 31, 2022. This proposal is to increase that contract amount by \$150,000 to a total of \$350,000, which is within the budget of \$372,000. The remaining budgeted funds of \$22,000 are held for contingency issues and/or equipment purchases.

The VR Training System project is intended to increase the success rate of Commercial Driver's License (CDL) examinations, increase bus availability for revenue services, and reduce the risk of multiple transit operator trainees on

the bus lot while also allowing for them to be trained on multiple bus types at one time. Additional results are an expected decrease in accident rates and costs as well as increase in knowledge retention.

The VR Training system project has two main phases: CDL Pre-trip and Route/bus familiarization. The VR and Augmented Reality (AR) systems enhances the current training program by recreating the bus, the route, driving conditions (e.g. pedestrians, weather, night/day, etc.), and traffic for trainees. Trainees will be able to use the tablets that are assigned to them during training to study for the CDL pre-trip at home using this system. Currently, trainees must study using a paper document without the bus, and its parts, in front of them. It is the intent of the team to offer the VR and AR training system for the CDL pre-trip phase in multiple languages to better engage trainees. The original contract amount provided authorization for this phase of the project.

As mentioned above, the route familiarization phase, which this proposed amendment will authorize, is intended to prepare trainees for scenarios that they may face while driving. Trainees will enhance their driving skills using the scenarios; the system will include eye tracking software to enable immediate feedback from instructors on frequency of mirror checks, pivot points, etc. Trainees will also be learning the route while they participate in these scenarios. Multiple trainees can participate in the VR and AR systems concurrently which increase the amount of training they receive in the driver's seat.

Based on the results of this project, staff may identify additional funding options to extend this contract for other training enhancements (e.g. maintenance, administrative, safety, etc.).

STAFF RECOMMENDATION:

Increase the contract authorized not to exceed amount by \$150,000 from \$200,000 to \$350,000, which is within the budgeted amount of \$372,000.

ALTERNATIVES:

Do not authorize amendment No. 1. This would eliminate the opportunities to increase bus availability for revenue services and the decrease in accident rates and related costs.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 1 with MyPad3D, dba MXTReality, Inc., Contract No. 86-19, to increase the contract authority amount by \$150,000, for a total authorized not to exceed amount of \$350,000 to support the virtual reality training program for operators through March 31, 2022.

TITLE: Consideration to Implement Policy No. 2.10 – Emergency Assistance, Formalizing and Clarifying Pierce	DIVISION: Executive
Transit's Actions in Certain Mutual Aid Situations with Pierce County Law Enforcement Agencies and the Pierce County Division of Emergency Management (DEM)	SUBMITTED BY: Sue Dreier, Chief Executive Officer
RELATED ACTION: N/A	
ATTACHMENTS:	RELATION TO STRATEGIC PLAN: N/A
Proposed Resolution Proposed Policy No. 2.10	BUDGET INFORMATION: N/A

BACKGROUND:

The proposed policy formalizes and clarifies Pierce Transit's actions in certain mutual aid situations with Pierce County law enforcement agencies and the Pierce County Division of Emergency Management (DEM).

At the February 8, 2021 Board of Commissioners meeting, a motion was approved that directed staff to present a formal agreement relating to mutual aid services for full Board review and approval, in addition to a formal policy that memorializes how Pierce Transit will work/respond/support the various types of emergency requests it receives. Additionally, staff is to collaborate on a transfer of vehicle(s) for use by the Pierce County Department of Emergency Management (DEM), or a public safety partner designee, that could be used by DEM or any other local jurisdiction for purposes of emergency transportation.

The proposed policy clarifies that Pierce Transit will act cooperatively with Pierce County Department of Emergency Management (PCDEM), fire agencies and law enforcement agencies in cases of emergencies and disasters. When requested, Pierce Transit will continue to coordinate to provide resources (vehicles, equipment, and personnel) for these events which could include fires, accidents, transportation for evacuees, and sheltering.

The policy also specifies that Pierce Transit will not transport law enforcement personnel to scenes of civil unrest, riots or demonstrations. The Agency will transfer title of two paratransit vehicles to PCDEM for this purpose, subject to provisions of any applicable state law.

The policy defines concept of Operations, Pierce Transit responsibilities, mobilization guidelines, and scope of work. It also includes a right of refusal.

The CEO has contacted PCDEM to collaborate on donating two paratransit vehicles. The subsequent donation agreement is anticipated to come before the Board of Commissioners at their April 12, 2021 meeting.

STAFF RECOMMENDATION:

Staff recommends approving the proposed Policy No. 2.10 - Emergency Assistance, as presented.

ALTERNATIVES:

- 1. Do not approve.
- 2. Modify the proposed policy.

PROPOSED MOTION:

POLICY # 2.10 Emergency Assistance

The purpose of this Policy is to formalize actions by Pierce Transit (Pierce Transit or the Agency) in certain mutual aid situations with Pierce County law enforcement agencies and the Pierce County Division of Emergency Management (DEM).

1. Purpose

Pierce Transit has a long-standing practice to act cooperatively with Pierce County Department of Emergency Management (PCDEM), fire agencies and law enforcement agencies in cases of emergencies and disasters. When requested Pierce Transit will continue to coordinate to provide resources (vehicles, equipment, and personnel) for these events which could include fires, accidents, transportation for evacuees, and sheltering.

While keeping in mind the overall safety of the employees, contractors, customers and our community, Pierce Transit adopts the following policy effective March 8, 2021.

2. Scope

This policy supports *Emergency Support Function 1 – Transportation* of the *Pierce County Comprehensive Emergency Management Plan*.

Movement of People and Commonly Recognized Companion Animals: To provide guidance and direction to ensure effective coordination and utilization of the transportation systems for the movement of people and commonly recognized companion animals, hereafter shortened to "movement," during emergencies and disasters utilizing surface roads, maritime, aviation, and railway across the transportation network.

3. Assumptions

Pierce Transit has a critical function of safely transporting the public in an efficient and timely manner. Pierce Transit will prioritize providing these efforts in an emergency.

Upon request from a Pierce County law enforcement agency, fire agency or PCDEM to provide transportation resources to support emergency operations as set forth in Section 4, Pierce Transit will provide due diligence efforts to provide such assistance to the extent it determines

that it has sufficient equipment and personnel and to the extent allowable under State and Federal laws. All requests will be evaluated, and employee safety will be taken into consideration.

Pierce Transit has the right to not fulfill any request.

Pierce Transit will normally only be available for temporary assignment to an incident. The Agency cannot provide normal and usual public transportation services typically provided by Pierce Transit.

Pierce Transit will not transport law enforcement personnel to scenes of civil unrest, riots or demonstrations. The Agency will transfer title of two paratransit vehicles to PCDEM for this purpose, subject to provisions of any applicable state law.

4. Concept of Operations

This policy establishes a single point of contact for the mobilization of Pierce Transit resources. All resource requests will go through the Pierce Transit Communication Center.

Initial requests for Agency resources will be made to the Pierce Transit Communication Center. The Communication Center will document the request, send out the Emergency Agency Assistance Request Notification and contact the Communication Center On-Call Manager, who will evaluate the request, determine if Agency resources are available, obtain permission from the Chief Operating Officer as set forth in Section 6, and respond to the request.

5. Pierce Transit Responsibilities

Coordinate and provide emergency transit support and services for the movement of people, equipment, and supplies in Pierce County.

Coordinate service delivery as requested and as resources allow in the affected jurisdictions and zones.

Maintain transportation resources for the public, including specialized modes of transportation for the special needs' population.

Provide personnel, communication assistance, buses, non-revenue vehicles, and equipment to assist Pierce County with emergency operations (response and recovery phases).

Return transit services to normal levels as soon as possible following the emergency or major disaster.

6. Mobilization Guidelines

When Pierce Transit receives a request for evacuation, shelter, emergency worker rehabilitation, or any other emergency-related mission:

The requestor should provide, and the Communication Center should obtain the following information.

- Callers name and title
- Requesting agency
- The number of persons requiring support
- Staging area location
- On-scene contact
- Starting and ending location
- Route, road closure, and road condition information
- Special needs or requirements
- Brief description of reason for the request

Once received, if the request is for three or more Agency vehicles or the description of the incident may involve hazardous conditions, the Communication Center On-Call Manager must receive permission to respond from the Chief Operating Officer.

Communication Center can begin to coordinate Agency resources to meet immediate needs if the request is in line with this policy. As soon as practicable, the Communication Center will contact the Communication Center On-Call Manager and send out an Emergency Agency Assistance Request Notification.

Communication Center will notify appropriate Pierce Transit staff consistent with Everbridge Alerts incident notification procedure and existing Communication Center policies.

Communication Center will give requesting party a confirmation or decline of the request, and, if accepted by the Agency, a current ETA.
